THE ACCOUNTS AND AUDIT PROCESS

Section 12 of the Public Audit (Wales) Act 2004 requires local government bodies in Wales (including joint committees) to make up their accounts each year to 31 March and to have those accounts audited by the Auditor General for Wales. Regulation 14 of the Accounts and Audit (Wales) Regulations 2014 states that smaller local government bodies i.e. those with annual income and expenditure below £2.5 million must prepare their accounts in accordance with proper practices.

For minor joint committees with income and expenditure below £2.5 million, proper practices are set out in the One Voice Wales/Society of Local Council Clerks publication, **Governance and accountability for local councils in Wales – A Practitioners’ Guide** (the Practitioners’ Guide). The Practitioners’ Guide requires that they prepare their accounts in the form of an Annual Return. This Annual Return meets the requirements of the Practitioners’ Guide.

The accounts and audit arrangements follow the process as set out below.

Please read the guidance on completing this Annual Return and **complete all sections highlighted pink** .

APPROVING THE ANNUAL RETURN

The Committee must approve the Annual Return **BEFORE** the accounts and supporting documents are made available for public inspection under section 30 of the Public Audit (Wales) Act 2004.

If it is unable to complete the approval process by 30 June 2021 or publish the audited return by 30 September, the Committee must publish notices as required by the Regulations.

The Auditor General for Wales’ Audit Certificate and report is to be completed by the auditor acting on behalf of the Auditor General. It **MUST NOT** be completed by the Clerk/RFO, the Chair or the internal auditor.

Audited and certified returns are sent back to the body for publication and display of the accounting statements, Annual Governance Statement and the Auditor General for Wales’ certificate and report.

Auditor General for Wales' Audit Certificate and report

The external auditor conducts the audit on behalf of, and in accordance with, guidance issued by the Auditor General for Wales. On the basis of their review of the Annual Return and supporting information, they report whether any matters that come to their attention give cause for concern that relevant legislation and regulatory requirements have not been met.

We certify that we have completed the audit of the Annual Return for the year ended 31 March 2021 of:

Cardiff Port Health Authority

External auditor's report

Except for the matter reported below, on the basis of our review, in our opinion, the information contained in the Annual Return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters and recommendations

On the basis of our review, we draw attention to the following matter which does not affect our audit opinion

- Regulation 15 of the Accounts and Audit (Wales) Regs 2014 requires the Annual Return to be both properly certified by RFO and approved by the Chair of the Committee or Council meeting receiving the Return, on or before 31st August 2021.
- As no approval had been given before the deadline, Cardiff County Council as administering authority had not provided proper opportunity for the exercise of electors' rights of inspection of an approved set of 'the accounts to be audited' under Section 30 of the Public Audit (Wales) Act 2004.
- Regulation 15 requires publication of a statement setting out the reasons for non-compliance and the arrangements being put in place for securing certification.
- An addendum to the Audit Notice has been published on the Cardiff County Council website to notify electors of their inspection rights over an unapproved Annual Return as audited and of the arrangements in place for a full meeting of the Council to approve the Annual Return.
- We raised this matter to your attention on the previous auditor's report and note that appropriate action has been taken to notify electors.

Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this Annual Return. Proper practices are set out in the Practitioners' Guide.
2. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs. Ask your auditor for an electronic copy of the form if required.
3. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
4. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2020) equals the balance brought forward in the current year (line 1 of 2021). Explain any differences between the 2020 figures on this Annual Return and the amounts recorded in last year's Annual Return.
5. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
6. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. The auditor should also be able to agree your bank reconciliation to line 9 in the accounting statements. More help on bank reconciliations is available in the Practitioners' Guide.
7. **You must send to the external auditor, information to support the assertions made in the Annual Governance Statement.** Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records to the external auditor and not the original documents themselves.
8. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
9. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
10. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
11. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**
