

Small Local Government Bodies in Wales Annual Return for the Year Ended 31 March 2015

Section 12 of the Public Audit (Wales) Act 2004 requires local government bodies in Wales to make up accounts each year to 31 March and to have those accounts audited by the Auditor General for Wales. Regulation 14 of the Accounts and Audit (Wales) Regulations 2014 states that smaller local government bodies (ie, those with annual income and expenditure below £2.5 million) must prepare their accounts in accordance with proper practices.

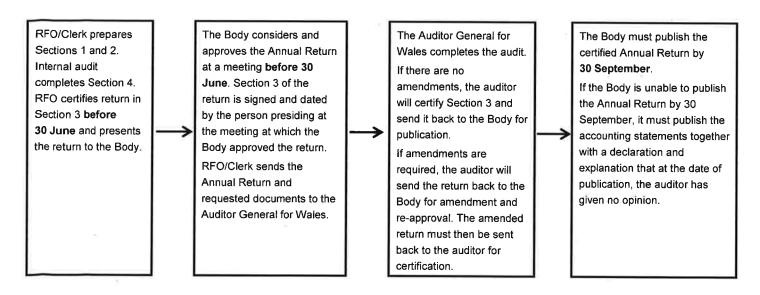

The following legislation defines proper practices as the One Voice Wales/SLCC Guidance publication *Governance* and accountability for local councils in Wales – A Practitioners' Guide (2011) (the Practitioners' Guide):

- Port health authorities: Accounts and Audit (Wales) Regulations 2014, Regulation 4(b)
- Small joint committees: Local Authorities (Capital Finance and Accounting) (Wales) Regulations 2003, Regulation 25(1)

The Practitioners' Guide requires that smaller bodies prepare their accounts in the form of an annual return. This Annual Return meets the requirements of the Practitioners' Guide.

Please complete all sections highlighted in pink. Incomplete or incorrect returns may require additional external audit work and incur additional costs. Further guidance is included in Section 5 and in Section 2 which includes references to where the Practitioners' Guide has further information.

Under the Accounts and Audit (Wales) Regulations 2014, the Body must formally approve the return and certify Section 3 before the return is sent to the auditor. The Body must approve the Annual Return by 30 June. Unless the Annual Return needs to be amended, the auditor will certify the return and send it back to the Body for publication with no further approval by the Body required. The accounts approval and audit arrangements follow the process as set out below.

Your external audit team will advise you what additional information is needed for the audit.

Please send the original Annual Return (ie, not a photocopy), together with any additional information requested, to your external auditor by the date specified by the auditor. Unless requested, please do not send any original financial records to the external auditor.

Audited and certified returns are sent back to the Body for publication or display of Sections 1, 2 and 3.
