

Friendship bracelets

1) To create your friendship bracelet you will need scissors, different colour wool and some tape

4) Tape down the 5cm of string to a table or worktop

7) Tie both of the ends together

2) Put 3 strands of wool together and cut about 30cm

5) Twist all 3 pieces tightly and stretch out in the middle

8) Measure your wrist and tie to the correct size

3) Tie a knot at the top with all 3 pieces of string leaving about 5cm

6) Whilst holding the non taped end, release the wool in the middle

9) Cut off the excess and your bracelet is finished
