

Pen and pencil holder

Equipment you will need

Empty Pringle tube

Scissors or craft knife

A4 white paper or cardboard

Felt pens

Double sided tape

Method

Cut tube to size with scissors
if using a craft knife get an
adult to use.

Measure paper around the tube and
stick with double sided sticky tape.

Design your own holder with the
felt pens.

Cut a divider out of the cardboard
and place in the tube using felt
pen designs if wanted.

Then place your felt pens and
pencils in your holder and
your good to go.
