

Musical instruments

Shakers

What you need

Plastic bottle

Selotape

Scissors

Piece of cardboard

Something to make the noise, we are using pasta but you can use rice, or, beans, or beads.

Something to decorate, we are using ribbon and coloured plastic gems

but you can use anything you like.

1 Make sure your bottle is clean and dry.

2 Pour the pasta into the bottle and screw the cap on tightly.

3 With the cardboard roll it into a tube and secure with sellotape this will be your handle.

4 Attach the now made tube to the neck of the bottle and secure with more tape.

5 Decorate the shaker how you like.
