What we can do for you...

Looking to join a reading group?

If you're looking for a reading group in your area, let Cardiff Libraries help you. We hold regular reading group meetings in most of our libraries. We can also put you in touch with non library based reading groups in your area. Search the library catalogue to find a group near you. Simply visit <http://ibistro.cardiff.gov.uk/>, click on 'Clubs & Societies,' then select 'Readers and writers groups.'

Want to advertise your reading group to new members?

You can advertise your reading group in the Clubs and Societies listings on the library catalogue. Go to <http://ibistro.cardiff.gov.uk/>, click on 'Clubs & Societies,' then select 'Submit (print and return)' and follow the instructions on the screen. Alternatively, visit the Information Department on Floor 4 of Cardiff Central Library, or telephone 029 2078 0963.

Don't know which book to read next?

Let us help you! We can recommend current bestsellers, prize winners, new talent, classics, or even our own personal favourites! Simply call in to your local library for a chat. Alternatively, visit the library catalogue <http://ibistro.cardiff.gov.uk/> and click on 'Popular' to find out what others are reading.

Too expensive buying multiple copies of the same book?

Why not sign up to our free reading group scheme? Members of the scheme can borrow up to 15 copies of the same book on just one library card. You can also keep the books longer than the usual loan period (up to 6 weeks, depending on demand). Choose from over 200 great titles in our reading group collection. Reserve the books in time for your meeting, then return them to any library. You don't even have to return them all at once, each member of your group can return their book when they are finished with it, to the library that's most

convenient for them. We have loads of books for you to choose from, however if we don't stock the one you're desperate to read, we'll do our very best to get it for you. To register with the scheme, simply send one person from your reading group along to the library, have them register as the main contact and that's it – it couldn't be simpler! We understand that it can be difficult keeping track of all those books, so don't worry, we won't charge you for any losses or damage to the books.

Looking for fun activities to enjoy with your reading group?

We hold lots of exciting events throughout the year. To find out more visit www.cardiff.gov.uk/libraryevents. Don't forget to check back regularly!
