

CO18122 Llandaff Church in Wales - Experimental Tro

Description of Scheme Proposal

We are working very hard to ensure the safety of children and adults within Cardiff and are now consulting on the creation of new temporary Traffic Regulation Orders (TRO) to reduce the number of vehicles driving past schools during peak times. I would therefore like to make you aware of the proposed temporary TRO for Hendre Close, which is directly outside Llandaff Church in Wales School.

The Temporary TRO would be in operation for a maximum of 18 months period and would only operate during term time as part of a trial. The Temporary Traffic Order is for a "Prohibition of Driving Monday to Friday 7:30am – 9:30am and 2:30pm – 5pm". This is to facilitate the safety of pupils, parents and carers outside Llandaff Church in Wales School at the start and end of the school day.

The Prohibition will include banned left / right hand turns into Hendre Close which is directly outside Llandaff Church in Wales School.

Residents, staff and deliveries attending the school will be exempt from the Prohibition of Driving and will have access during these times. A list of these vehicles will be kept and monitored by the authority. Subject to the outcome of this consultation an additional letter drop will be undertaken which will provide you with information on how to be included on the list of authorised vehicles.

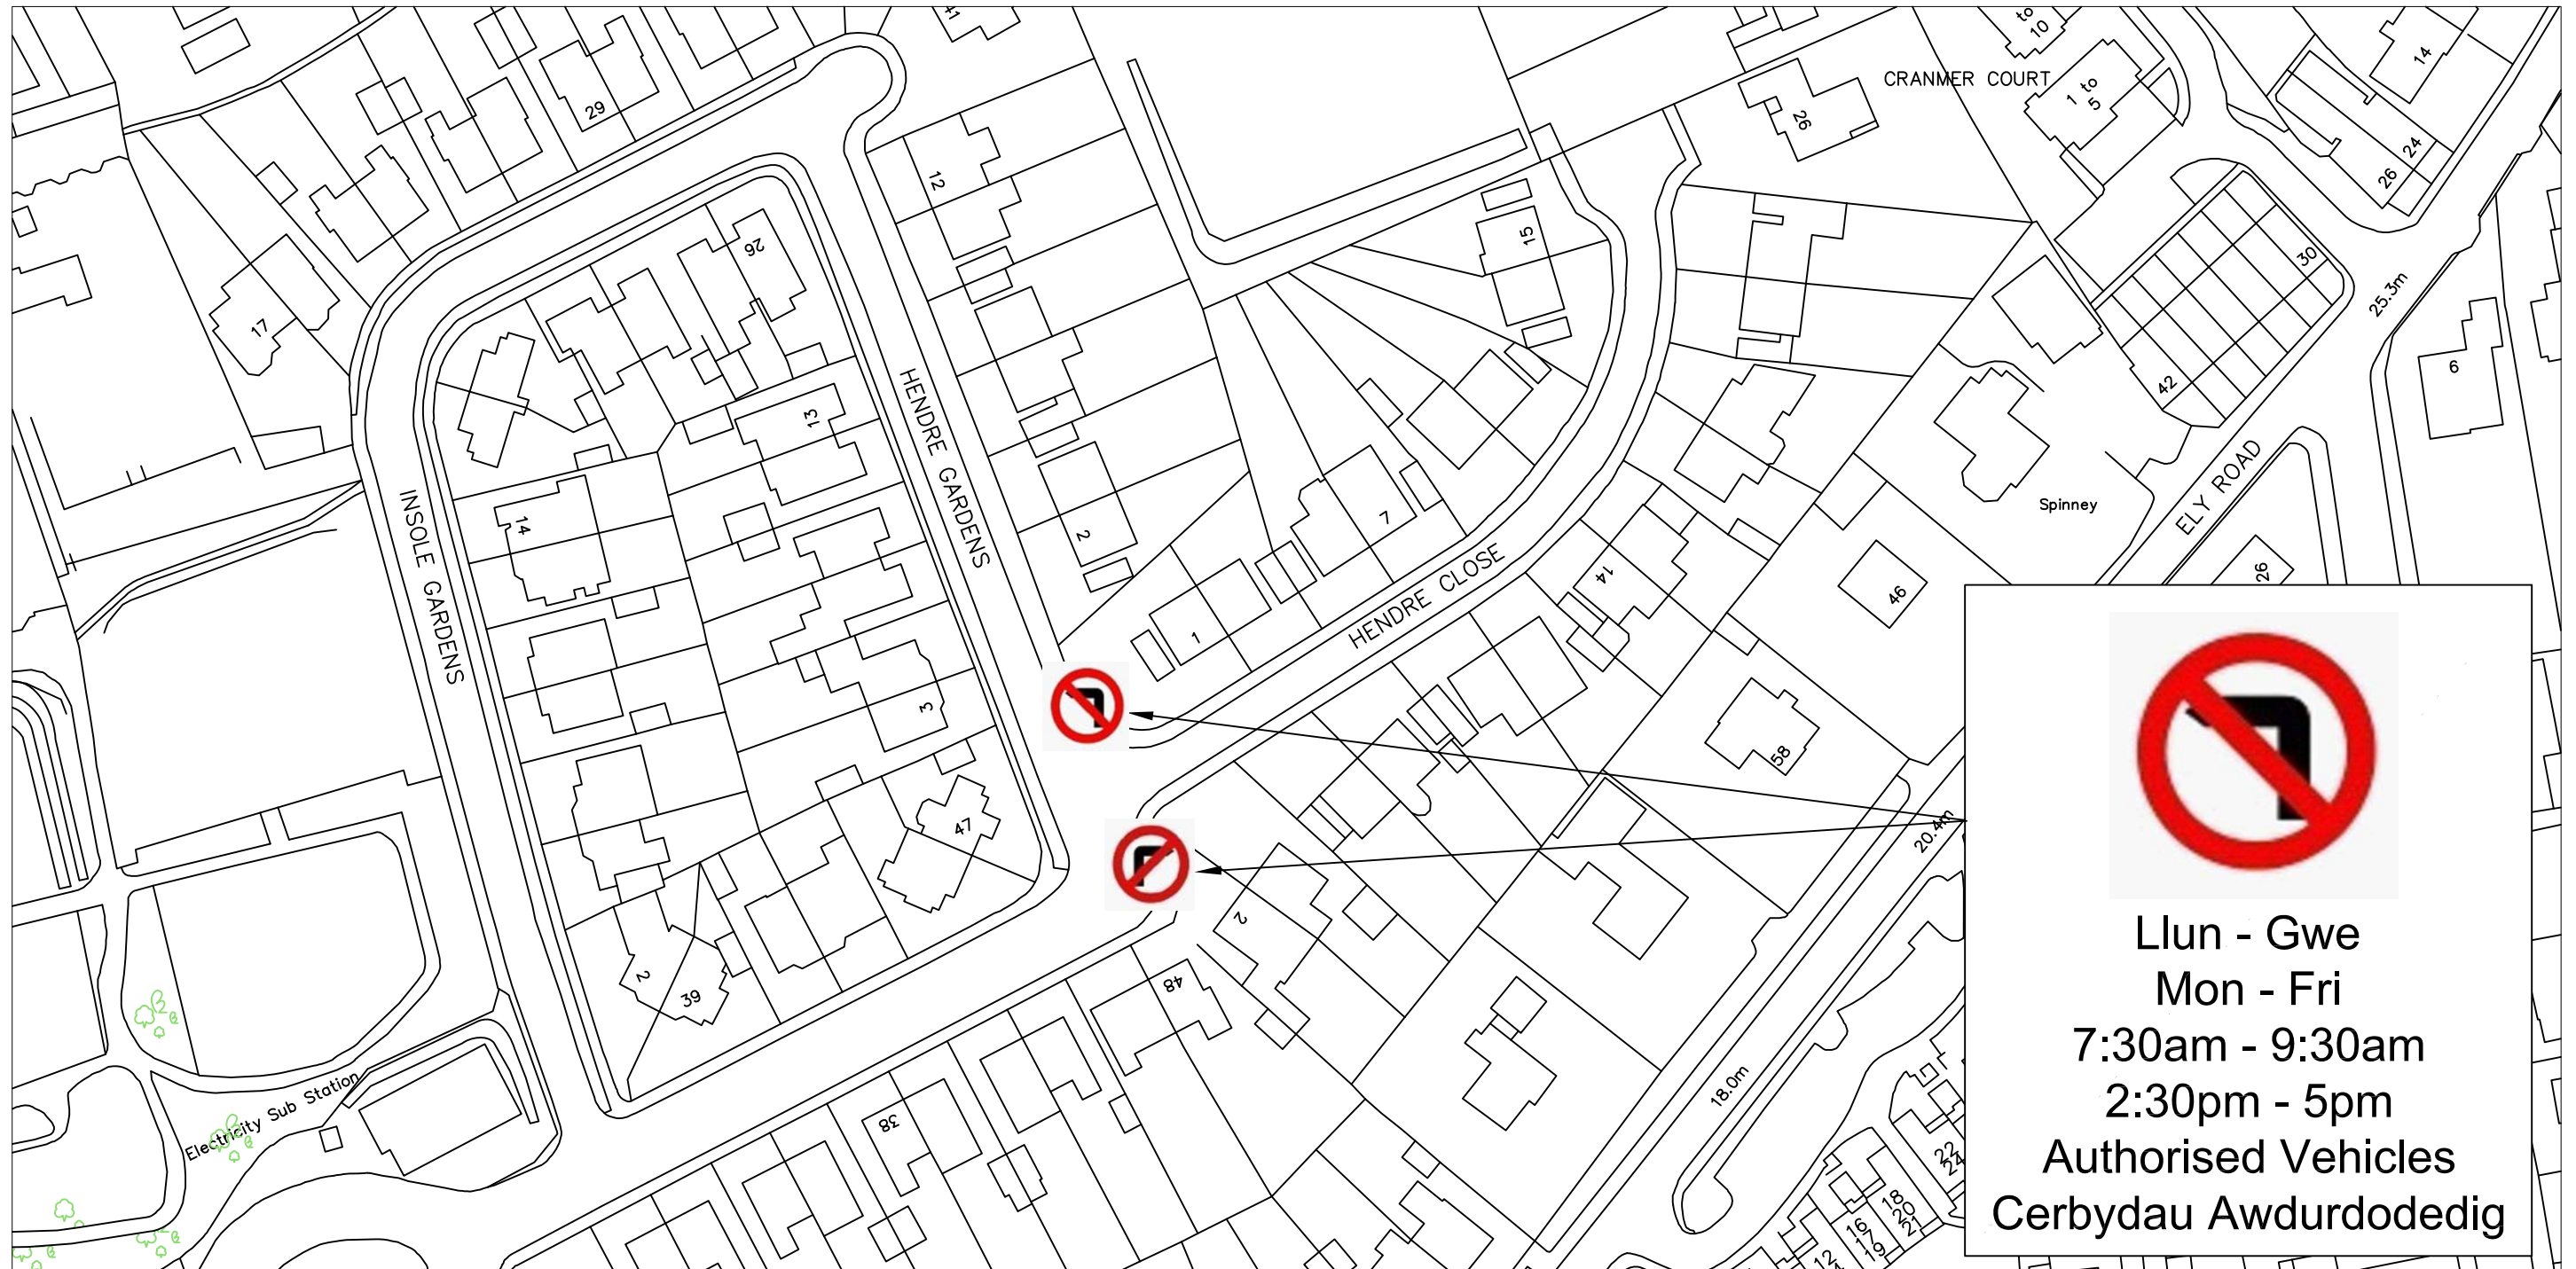

If a vehicle does not comply with this Prohibition of Driving, then they could be subject to a Penalty Charge where a Civil Enforcement Officer/the authority will issue this charge upon the owner.

The temporary TRO will follow the statutory consultation process before it can be implemented. After the temporary TRO has been in place for 18 months a final decision on implementing it permanently, changing the TRO or removing the TRO will be made.

We would be pleased to receive any comments or observations you may have on the proposals.
