## **Grangetown: St.Patricks Primary School - School Safety Zone**

### **Consultation Report**

**Project No: CO18182**

A consultation was held on the above scheme proposals between 7th January 2019 and 28th January 2019. 1 No response was received from the public. The concerns and comments are summarised as below, along with the Council's response.

#### **Recommendation**

**In view of the below report, it is proposed to proceed with the implementation of the scheme, subject to available funding.**

#### **Issue 1 - parking.**

*I do not have objections to a raised zebra crossing outside the house, but could you tell me if the new proposal will permanently eliminate parking outside the entire block?*

*But now I wonder what I and my visitors are expected to do once the new crossing is in place, as it appears there will be NO spaces available for drivers visiting anyone in the homes numbered 25-37.*

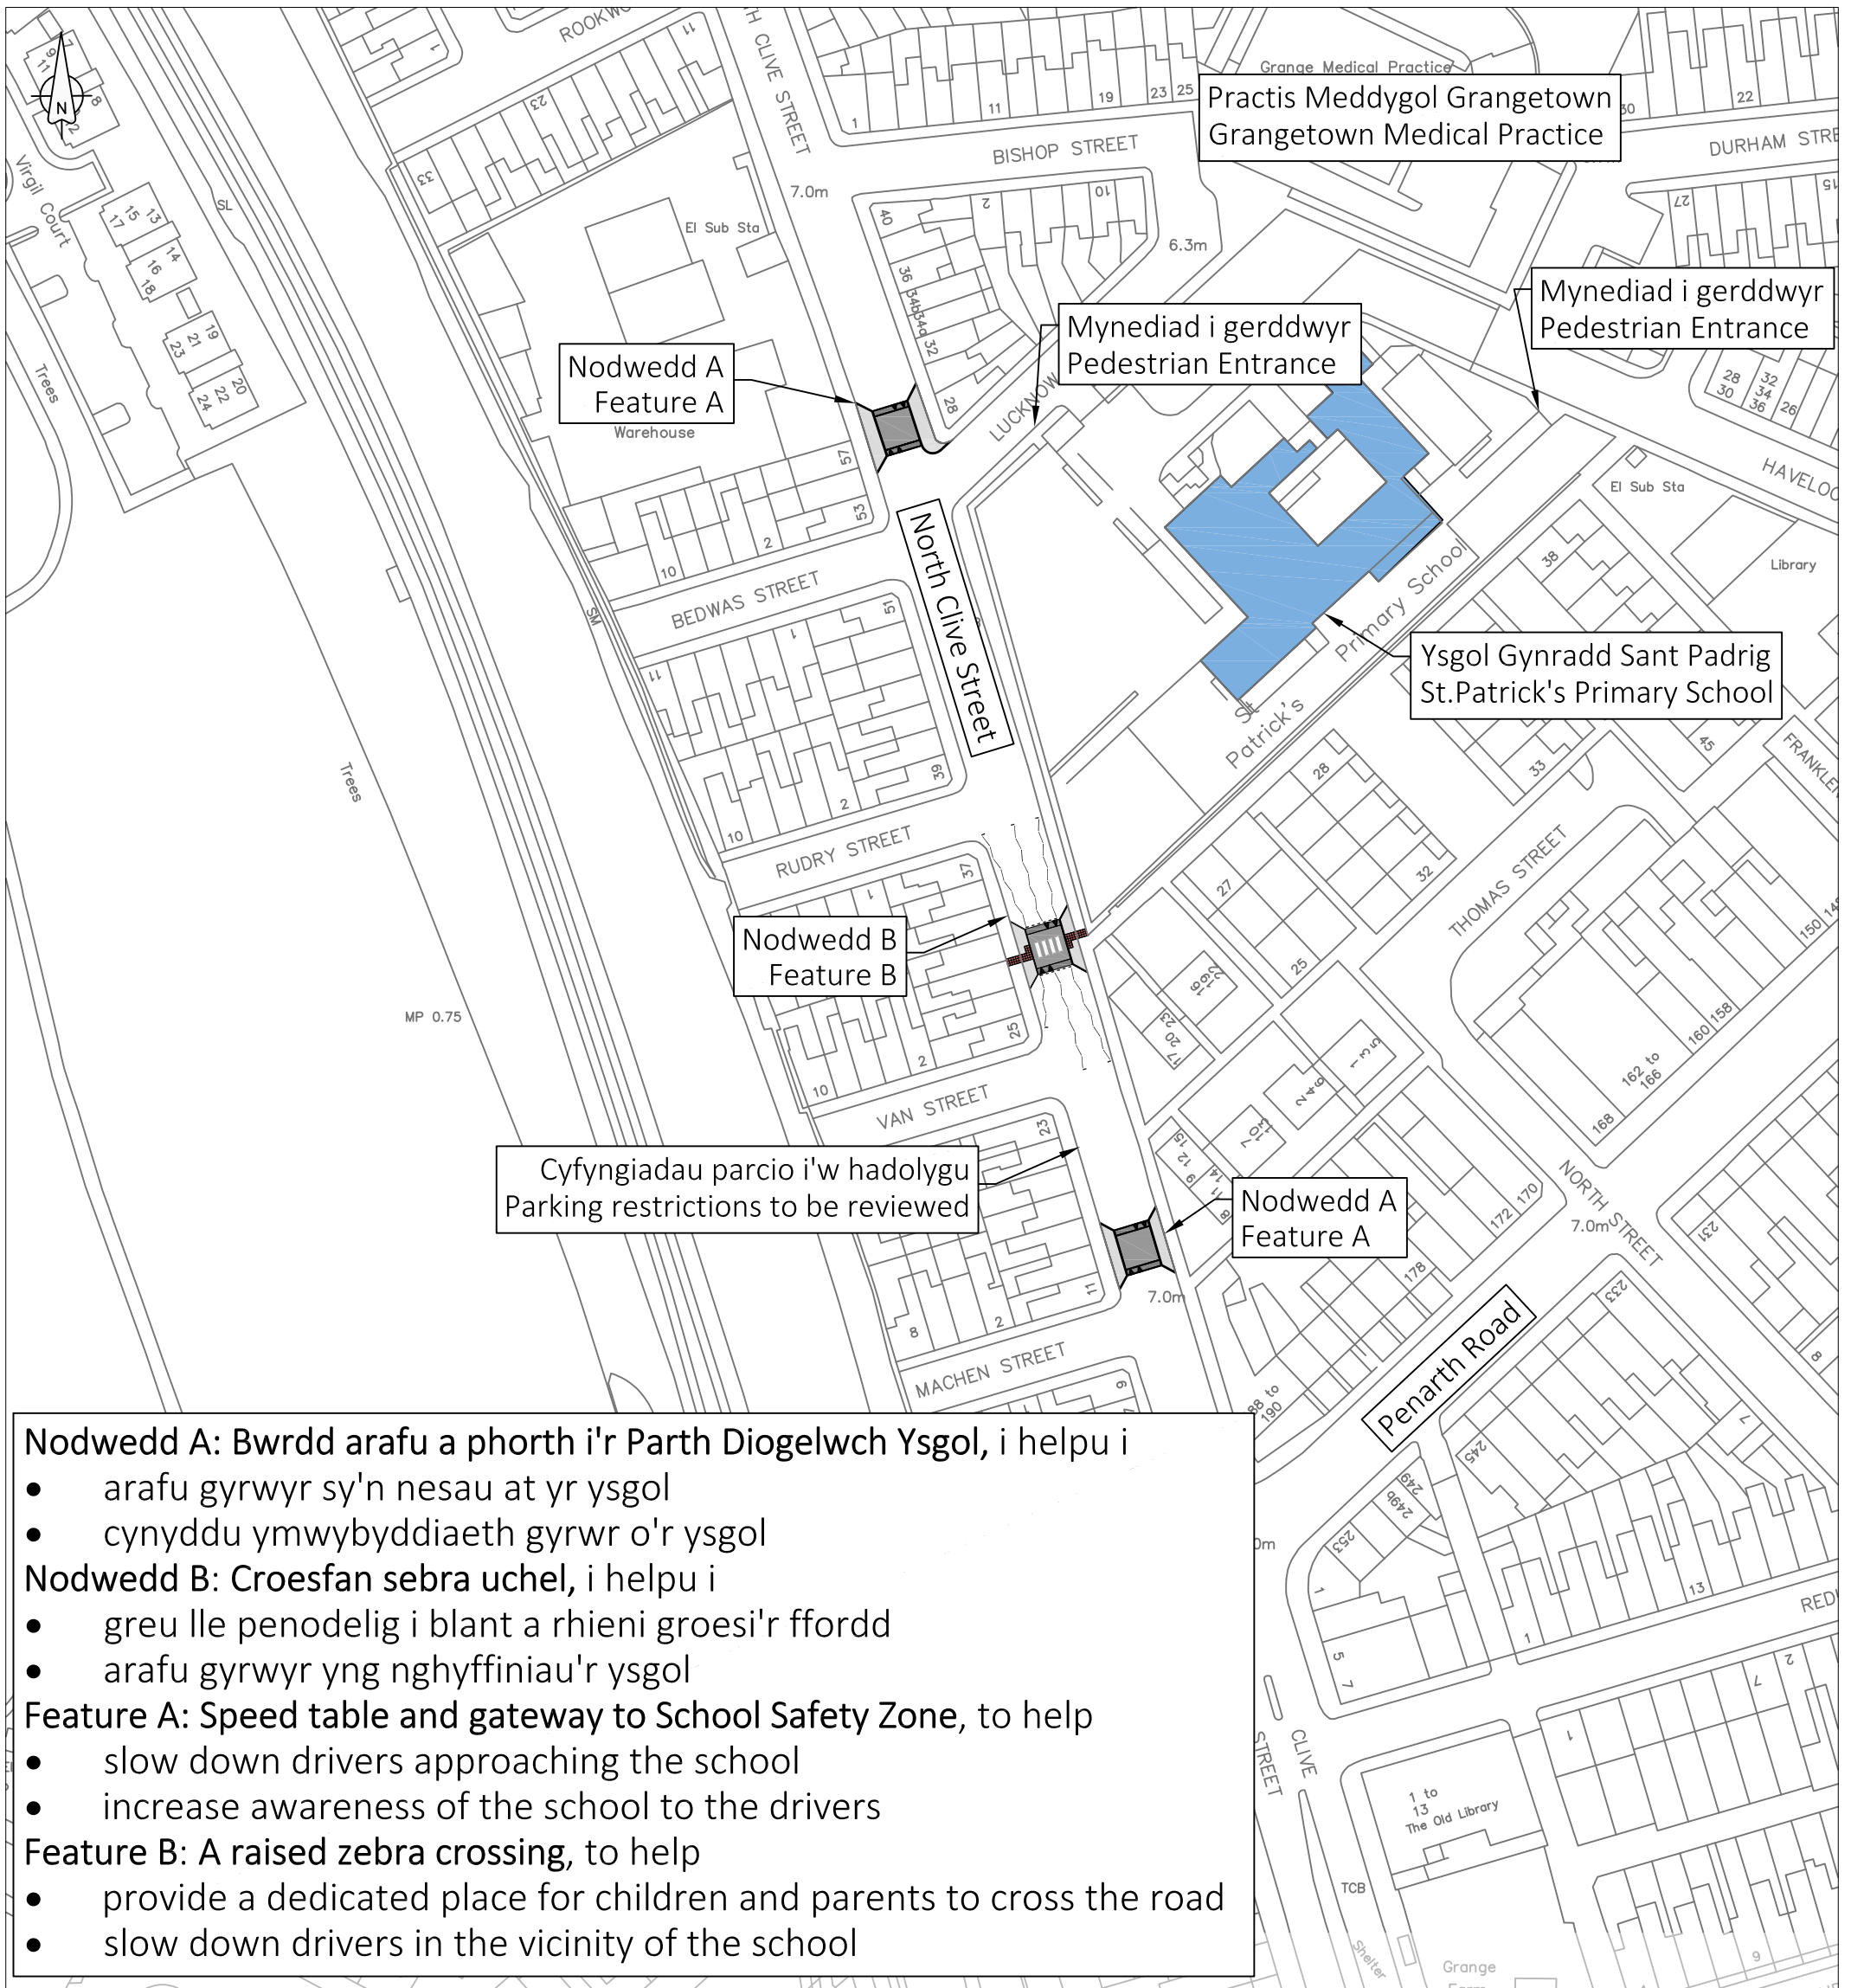

#### **Response**

With regard to the availability of parking, we shall be reviewing the parking spaces during the detailed design stages. We propose to provide a build-out at the zebra crossing and in the vicinity of No.11, this will enable us to create parking areas adjacent to the build-outs, but we will only be able to confirm the exact number of parking spaces created following the detailed design.
