CO18192 - Adamsdown Modal Filters

Junction of West Luton Place, South Luton Place and Windsor Road

Description of Scheme Proposal
The Council is informing residents about plans to make changes to the highway.

The highway proposals include the construction of cycle-only modal filters and dropped kerb arrangements, as well as relaid paving and pedestrian crossing points at road ends. This scheme is number 1 of seven across Adamsdown and the attached plan shows the area concerned.

This scheme has therefore been developed to:

- Provide continuity of cycle movement throughout Adamsdown
- Improve pedestrian facilities
- Refresh the public realm

We would appreciate any comments you may have regarding the proposals. We understand you may have suggestions for other improvements in these areas. Due to funding constraints we may be unable to accommodate any significant changes to these plans at this time, however we will keep a record of any suggestions we receive to incorporate into future schemes.

If you would like to make any comments about this proposal please let us know by 24/02/20 by email to cycling@cardiff.gov.uk or write to Cycling, Room 301, County Hall, Cardiff, CF10 4UW
The Council is consulting on the proposal to implement a traffic management scheme based on the plan shown.

Further details about this consultation are available at Cardiff.gov.uk/TransportProjects using the 'view consultations' link. Alternatively, please e-mail Cycling@caerdydd.gov.uk to request a paper copy. If you would like to make any comments about this proposal please let us know by 24/02/2020.
