## **CO19077 Windsor Road Footway**

### **Description of Scheme Proposal**

The Council is informing residents about plans to make changes to the highway on Windsor Road. Concerns have been raised about pedestrian safety at this location, and the lack of continuous footway. In response, officers from the Council have investigated options to make improvements which will help to create a safer highway environment.

The main road safety issues identified were the lack of continuous footway which results in pedestrians walking in the carriageway.

This scheme has therefore been developed to create a new footway by narrowing the carriageway.

The measures will deliver a safer pedestrian environment, particularly for vulnerable road users and school pupils, and will improve accessibility to the community area and bus services.

We would appreciate any comments you may have regarding the proposals. We understand you may have suggestions for other improvements to increase safety on Windsor Road. Due to funding constraints we may be unable to accommodate any significant changes to these plans at this time, however we will keep a record of any suggestions we receive to incorporate into future schemes.

If you would like to make any comments about this proposal please let us know by 03/02/20 by email to [TransportProjects@cardiff.gov.uk](mailto:TransportProjects@cardiff.gov.uk) or write to Transport Projects, Room 301, County Hall, Cardiff, CF10 4UW

### **Additional Information about traffic management measures**

**Vehicle Crossovers:** A vehicle crossover allows you to access your property legally, safely and easily when you are using a car or other domestic vehicle. This means that the kerbs are dropped ("dropped kerb") from their normal height to carriageway level and the footway, or verge, is strengthened to take the weight of the vehicle crossing it. It is an offence to drive on a footway unless a vehicle crossover has been authorised and put in. In addition to the safety reasons, this is because you may damage the footway or any pipes or cables that are buried underneath it. The

crossover allows you to pass safely from the carriageway, preventing any obstruction to the highway.

As part of our improvement schemes, it is possible to make provision for new vehicle crossovers, subject to the necessary terms and conditions. However, those seeking a vehicle crossover must obtain a prior Highway Agreement from us. Depending upon the Classification of the road, it may also be necessary to obtain Planning Permission. Further information is available on [www.cardiff.gov.uk](http://www.cardiff.gov.uk)

**Mae'r Gyngor yn ymgynghori ar y cynnig i weithredu cynllun rheoli trafifg yn seiliedig ar y cynllun.**

Mae rhagor o fanylion am yr ymgynghori hwn ar gael yn [www.caerdydd.gov.uk/Projectautrafnidiaeth](http://www.caerdydd.gov.uk/Projectautrafnidiaeth) ar y ddolen 'gweld ymgynghoriadau'. Os hoffech gyflwyno unrhyw sylwadau ynglŷn â'r cynnig hwn, rhowch wybod i ni erbyn **03/02/2020** drwy e-bostio [Projectau Trafnidiaeth@caerdydd.gov.uk](mailto:ProjectauTrafnidiaeth@caerdydd.gov.uk) neu ysgrifennwch at Projectau Trafnidiaeth, Ystafell 301, Neuadd y Sir, Caerdydd, CF10 4UW

**The Council is consulting on the proposal to implement a traffic management scheme based on the plan shown.**

Further details about this consultation are available at [www.cardiff.gov.uk/TransportProjects](http://www.cardiff.gov.uk/TransportProjects) using the 'view consultations' link. If you would like to make any comments about this proposal please let us know by **03/02/2020** by email to [TransportProjects@cardiff.gov.uk](mailto:TransportProjects@cardiff.gov.uk) or write to Transport Projects, Room 301, County Hall, Cardiff, CF10 4UW
