(Continue on a separate sheet/expand box if necessary)

MAC 38 T2 RAPID TRANSIT BUS CORRIDORS

These are indicated as feeding into existing rapid systems which are often narrow and hazardous i.e. Gwern Khuidi Road. The implications of widening contradict with existing transit— having plans for use. The added need for cycle lanes makes such proposals unfeasible.

[? Railway bridge widths; required traffic lane widths]
AS(N) 19 LAND AT BRINWYATT (MSN sites no) 25/02/15

Objection to this land being developed at all as it is within or supposed to be, the Green Belt and such a precedent as this development is both detrimental and dangerous to other Green Belt areas.

AS(N) 20 BRINTFY RHYL DAM. NEWSITE. ??

(Missing?) The references to this site were not found.

Objection to any continued development on this site.

P126 - Deletion of Citizens' Panel LDP consultation

Why? This is surely important information.

The general layout and reporting of the meeting sessions is confusing no references are given to some matters arising and no outcomes are reported. Why?
PART 4: What Happens Next?

All comments received by the closing date will be forwarded directly to the Inspectors for consideration; noting that they will not receive a response from the Council. Should the Inspectors decide that further hearing sessions are necessary please indicate whether you would want to speak at a session. It is important to note that written comments will be given the same weight by the Inspectors as those made verbally at a hearing session.

4a) Do you want your comments to be considered by ‘written representations’ or do you want to speak at a hearing session?

(Please tick ✓ one of the following)

I do not want to speak at a hearing session and am happy for my written comments to be considered by the Inspector.

I do want to speak at a hearing session.

4b) If you wish to speak, please confirm which part of your representation you wish to speak to the Inspector about and why you consider it to be necessary to speak at the Hearing
