To whom it may concern,

I believe that the proposed change to replace the Green Belt with Green Wedge is misguided. Whilst I acknowledge the Inspectors believe that a Green Wedge would offer some protection to the strategic backdrop of Cardiff, I must advise that without the permanency of the Green Belt (as originally proposed by Cardiff Council), that vital backdrop would be under continual threat as and when the LDP faces monitoring and subsequent change.

I hope that the Planning Inspectors will appreciate the weight of Cardiff residents’ views and will reinstate the original Green Belt proposal.

With kind regards,

Craig.
