**SPRINGWOOD PRIMARY SCHOOL**

**NOTICE IS HEREBY GIVEN** in accordance with Section 42 of the School Standards and Organisation (Wales) Act 2013 and the School Organisation Code, that Cardiff Council (herein after “the Authority”), having consulted such persons as appeared to them to be appropriate, propose to alter Springwood Primary School, Pennsylvania, Llanedeyrn, Cardiff, CF23 9LS as follows:

- establish an 8 place Specialist Resource Base for Emotional Health and Wellbeing at Springwood Primary School, within the existing buildings. This would replace the existing wellbeing class.

It is proposed to implement the proposal from September 2024.

The school is currently maintained by Cardiff Council.

The Authority undertook a period of consultation before deciding to publish this proposal. A consultation report containing a summary of the issues raised by consultees and the Authority’s responses and the views of Estyn on the proposed change is available to view at:

### **EXPLANATORY NOTE**

(This does not form part of the Notice but is intended to explain its general meanings)

Cardiff Council is committed to the principles of inclusion. The majority of learners with Additional Learning Needs (ALN) attend a local mainstream school, and benefit from effective Additional Learning Provision (ALP). These learners do not need to attend a special school or specialist resource base.

However, it is recognised that in order to thrive and fulfil their potential, children and young people with the most complex additional learning needs require access to the specialist environments and expertise of a special school or specialist resource base. The number of pupils with severe and complex needs, who need a place in a special school or specialist resource base has continued to grow.

The Council is committed to further developing and increasing provision for primary age learners with emotional health and wellbeing needs. This could be in temporary wellbeing provision supporting learners to continue in mainstream schools, and in specialist provision where permanent placements are appropriate.
