### **EXPLANATORY NOTE**

(This does not form part of the Notice but is intended to explain its general meanings)

Cardiff Council is committed to the principles of inclusion. The majority of learners with Additional Learning Needs (ALN) attend a local mainstream school, and benefit from effective Additional Learning Provision (ALP). These learners do not need to attend a special school or specialist resource base.

However, it is recognised that in order to thrive and fulfil their potential, children and young people with the most complex additional learning needs require access to the specialist environments and expertise of a special school or specialist resource base. The number of pupils with severe and complex needs, who need a place in a special school or specialist resource base has continued to grow.

The Council is committed to further developing and increasing provision for primary age learners with complex learning needs. This could be in temporary wellbeing provision supporting learners to continue in mainstream schools, and in specialist provision where permanent placements are appropriate.

In addition to the proposal for Pencaerau Primary School, proposals to establish Complex Learning Needs specialist resource base provision for primary age pupils at Adamsdown Primary School and Peter Lea Primary School are being progressed. The proposed expansions of Meadowbank Special School, which provides Complex Learning Needs places for primary aged pupils, Tŷ Gwyn Special School which provides Complex Learning Needs places for primary and secondary aged pupils and Woodlands High School which provides Complex Learning Needs places for secondary aged pupils are also being progressed.

In relation to Autism/Social Communication Needs, proposals to establish specialist resource base provision for primary age pupils at Hywel Dda Primary School, Radnor Primary School and Welsh-medium specialist resource base provision at Ysgol Glan Morfa are being progressed. For secondary age pupils, proposals to establish a specialist resource base at Fitzalan High School and Welsh-medium specialist resource base provision at Ysgol Gyfun Gymraeg Bro Eder are being progressed.

In relation to Emotional Health and Wellbeing Needs, proposals to establish a Welsh-medium specialist resource base at Ysgol Gymraeg Coed-Y-Gof and to increase the designated number of places at specialist resource base provision for primary age pupils at Baden Powell Primary School and Fairwater Primary School are being progressed. The proposed expansion of Greenhill Special School, which provides Emotional Health and Wellbeing places for secondary aged pupils is also being progressed.
