

Community Review 2013

Review of the Community Boundary And Electoral Arrangements Within The City And County of Cardiff **DRAFT PROPOSALS – APPENDIX A**

Consultees initially sent the consultation document

The community review is an open consultation where anyone who wishes to may submit a response. However, to ensure that the consultation was well publicised and distributed, a diverse range of groups and organisations were chosen to receive the consultation document. The methodology for selecting these organisations was a desire to ensure that as wide an audience as possible is reached. Direct consultation of organisations will be supported by the use of on-line resources, press releases and notice boards to reach the wider public.
