Bubble wands

Equipment you will need

3 small bamboo sticks or alternatives

2 large pipe cleaners

String,

Scissors

Tape

Washing up bowl

Bubble liquid

1 litre of warm water into a bowl, add approx. 500ml of fairy liquid and a bottle of glycerine. and gently stir.

Make pipe cleaners into a circle by tying together.

Connect to the top of the bamboo stick with tape

Dip into the bowl to make bubbles. Wand 2

Connect 3 feet of string to both bamboo sticks by tying together at the top of the sticks.

Place on the floor parallel to each other with the string attached.

Cut approx. 1.5 foot of string and connect to the existing string so you have half a circle. Dip into the bowl to make large bubbles.
