

Paper Kites

Equipment you will need

- A4 paper
- Straw
- Paper clip
- Felt pens
- Lolly stick
- Cellotape
- Scissors
- Tin foil
- Wool

1. Fold A4 paper in half, and then, diagonally each side.
2. Cellotape a cut straw across the top of the kite.
3. Cellotape a paper clip to the front under carriage.
4. Using felt pens design your kite.
5. Design your lolly stick –using felts.
6. Use about 15 ft. of wool, attach to paper clip and attach other end to the lolly stick.
7. Cut tin foil into 3 strips using scissors, and attach to the back end of the kite using cellotape.

Then you are ready to fly your kite
