Dear Parents,

School Year 2023-24

Starting nursery, primary school or moving from primary school to secondary school is an exciting time for children and parents. Every parent wants their child to thrive and achieve at school and we will try to support you in this process as much as possible.

The guidance in this booklet is designed to make the application process as smooth as possible. It provides information that will help you to make an informed decision about the schools you would like to apply for. Please read this guidance carefully so that you understand how your child's application will be processed.

Applying for your child's school place can be stressful. We have four easy tips to help you through this process:

1. Visit schools before you apply to ensure that you have all the information you need when you make your application. All of our secondary schools host open evenings (see page 45).
2. Submit your application by the closing date. Almost 70% of our schools are filled in the first round. Late applications are considered in the second, third and fourth rounds.
3. Use all of your preferences. We will try to offer you your first choice preference, but this isn't always possible. By putting more than one preference you are more likely to get a place at a school that you want. Please apply for up to:
 - a) 5 preferences (Transfer to Secondary Education)
 - b) 3 preferences (Transfer to Primary Education)
 - c) 1 preference (Nursery)
 - d) 3 preferences (Transfer during academic year / In Year Transfer)
 - e) You are strongly advised to use all preferences available to you
4. Check the school admissions facts before submitting your application. These can be found on pages 26-27.

We would like to take this opportunity to wish your child every success for the future.

This booklet is published by the City of Cardiff Council and contains the information that the Council is required to publish under Section 92 of the School Standards and Framework Act and the School Information (Wales) Regulations 2011. All references to parents also include legal guardians.

The information contained in this booklet was correct at the time of going to publication. You should note therefore that it is possible that information such as the number of pupils at the school will change between the date this booklet is published and the date the pupil starts at the school. WELSH-MEDIUM EDUCATION

Pupils attending Welsh-medium Primary School normally transfer to a Welsh-medium Secondary School in accordance with the arrangements on pages 42 - 47.

Welsh Immersion Units

Did you know that if your child did not attend a Welsh-medium Nursery/Primary school at the start of their education it isn't too late for you to consider a Welsh-medium Education for your child at any point in their statutory education journey?

Cardiff Council has established both a primary and secondary Welsh Immersion Unit which provides intense Welsh language learning enabling children to gain a level of fluency to transfer to education in a Welsh-medium School. If you would like to consider this option for your child, please contact the Lead Teacher by telephone on 029 2062 6650 (the primary provision is currently located at Ysgol Glan Ceubal).

Use of the Welsh Language in Primary Schools

In Welsh-medium Primary schools, all areas of learning within Curriculum for Wales from on entry to school at Nursery /Reception until the end of Year 2 are taught through the medium of Welsh. English is formally introduced in Year 3 and all areas of learning apart from English are taught through the medium of Welsh from Years 3 to 6. At the end of Year 6, children who attend Welsh-medium primary schools are expected to be bilingual in both languages, this means that their oracy, reading and writing skills are equal. In a dual language model, Cardiff currently only has one (Ysgol Gynradd Groes-wen Primary School), the expectation is different to a Welsh-medium school, at the end of Year 6 children will be fluent in terms of their oracy skills in both languages but if a parent decided that they would like their child to continue accessing Welsh-medium education and transfer to a Welsh-medium secondary school, those children who have been in the dual language stream will be able to access additional support within the setting for this purpose.

In English-medium Schools, Welsh second language is statutory from Reception to Year 6.

Use of the Welsh Language in Secondary Schools

All year 7, 8 and 9 pupils in Wales from September 2024 will follow the Curriculum for Wales. Pupils in year 10 and above will follow the National Curriculum. In Welsh-medium Secondary Schools, all subjects with the exception of English are taught through the medium of Welsh.

In English-medium Schools Welsh second language is a statutory requirement for all pupils in years 7 - 11. In accordance with the Education Reform Act 1988, Welsh is a core subject in all Welsh medium schools.

WHAT ARE THE BENEFITS OF WELSH MEDIUM EDUCATION?

Whatever language you speak at home, Welsh-medium education can give your child additional opportunities, experiences and skills. Here are some frequently asked questions that may help you decide whether you'd like to take advantage of what Welsh-medium education has to offer.

'So what does Welsh-Medium education do?'

Welsh-medium education has a very simple aim - to enable children to become fully fluent in both English and Welsh while teaching all the other subjects across the curriculum.

Young children learn languages remarkably easily - it's by making the most of this potential that Welsh medium education has become so popular.

'Why do people choose Welsh-medium education?'

Research shows that it's by far the best way we have to get children to be bilingual in both English and Welsh. Being bilingual has many advantages. It's very useful as a skill in the workplace: the ability to speak Welsh is either an essential or a desirable skill for a growing number of jobs. The Welsh Government has also committed to developing a bilingual Wales through its Welsh-language strategy 'Cymraeg 2050' with a vision for reaching a million speakers by 2050. There is more demand today than ever before for bilingual skills in a variety of fields such as health, education, leisure, childcare, retail, and public services.

'Any other reasons?'

Speaking Welsh can help children build a fuller understanding of their wider community and their place within it. Welsh provides children with access to a culture – including literature, music, digital media, and a host of other things - that might otherwise be unavailable to them. For some people, the choice of Welsh-medium education is based on personal experiences: they know people who are bilingual or have bilingual children, and so want their own children to be able to be a part of the Welsh-speaking community, while also being completely at home in English.

‘Do families like mine choose Welsh-medium education?’

Every family - and every child - is unique, of course. But all kinds of families take advantage of Welsh medium education: families who don't speak Welsh and those who do; families from all kinds of ethnic and religious backgrounds; families from Wales and those who've moved here from elsewhere. We are increasingly seeing many families who do not speak Welsh OR English as their home language, choosing Welsh-medium education, their children thrive as they are already multilingual.

‘We don't speak Welsh at home - would that make my child stand out?’

Not at all. In fact, the vast majority - over 70% - of children in Welsh-medium education in Cardiff do not speak Welsh at home. And for some of those, a language other than English is the main language of the home. So coming from a non-Welsh speaking background is absolutely normal and the areas of learning within Curriculum for Wales are designed with that in mind. Welsh-medium schools do not expect that children speak Welsh when they start, but will help those children to become fluent in Welsh before the end of their first year.

‘We're not Welsh - would it be strange for us to choose Welsh-medium education?’

Not at all. You don't have to be Welsh to speak Welsh. Parents of children in Welsh-medium schools in Cardiff have come from all over the world: Wales, the rest of the UK, Europe, Asia, Africa, North and South America ... While some might consider themselves to be Welsh, others might not - the key point is that learning Welsh is open to all.

‘Does Welsh-medium education have lower standards for English?’

Absolutely not. Children leaving Welsh-medium primary schools are expected to reach exactly the same standard of English as those in English-medium primary schools. And in secondary schools children in Welsh-medium education sit exactly the same GCSEs and A-levels as those in English-medium schools. (The reverse is not true: children in English-medium education do not reach the same standards or sit the same level of exams in Welsh as those in Welsh medium education.)

‘How can I help my child with homework if I don't speak Welsh?’

As most children don't speak Welsh at home, Welsh medium schools are very experienced in supporting both pupils and parents. For younger pupils, homework instructions will be given in writing in both English and Welsh. At a later age, children will be able to explain their work to their parents themselves. In fact, research suggests that dealing with their work in two languages can actually help children understand the subject that they are studying. The education website Hwb (<http://hwb.wales.gov.uk>) also gives access to a range of nationally provided digital learning tools and resources.

‘Will learning Welsh make it harder to learn another language?’

Not at all. There's almost no limit to a child's ability to learn languages. In most European countries, young children can commonly speak two or three languages. Speaking one language can help reinforce the other, making it easier for the child to learn more languages later on.

‘Will it be difficult to get my child into Welsh medium education?’

All Welsh-medium schools in Cardiff are community schools. So the application procedure is exactly as it is for English-medium community schools - the child's home language or religion or national identity are not considered in the application process.

‘If my child were in a Welsh-medium school, would he or she have classmates from our area?’

The number of Welsh-medium schools in Cardiff has increased significantly. There are now seventeen primary schools and three secondary schools across the city. This means that your community will have a Welsh-medium school whose pupils will come from your local area and who can easily meet up outside school if they want to.

‘What about their education after they leave school?’

As pupils from Welsh-medium schools are fully bilingual, they can choose to follow college and university courses in either language (or both). Recently, the work of the Coleg Cymraeg Cenedlaethol (the national Welsh-medium college) has ensured that more and more university degrees are available (partially or completely) through the medium of Welsh. A growing number of Welsh-medium courses are available in Further Education as well. Even so, students from Welsh-medium schools commonly follow English-medium courses at college or university, in Wales and beyond.

‘Can I learn Welsh alongside my child?’

Some parents, after choosing a Welsh-medium school for their child, decide to learn Welsh as well. It’s a great opportunity to learn together, to practice your language skills on each other and spend quality time together. Welsh for Adults courses are available throughout Cardiff, and are suitable for learners at all levels. For further information, please visit <https://learnwelsh.cymru>.

Full details of all the Welsh-medium Schools and the dual language model of Ysgol Gynradd Groeswen Primary School are available on pages 72 - 73 (primary) and pages 75 (secondary). For further information on Welsh-medium education, please visit <https://llyw.cymru/y-gymraeg>

HOW TO MAKE AN APPLICATION

APPLY ONLINE BY USING THE COUNCIL'S ONLINE APPLICATION SERVICE

www.cardiff.gov.uk/schooladmissions

You must make an application to tell us which school you would like your child to attend. If you do not submit an application you will not receive a school offer.

- For all online applications you will need a valid email address.
- It is important that you use the same email address throughout the process and remember your password. Keep this safe.
- Please remember to re-submit your application if you make any changes.
- Please be aware that until you **submit** your application we will not receive it.

Making a Late Application

You can still apply if you miss the application deadline. However, applications received after the deadline will not be considered in the initial round of allocations. Many schools will be full after the initial round. Applying after the deadline can significantly reduce the likelihood of getting a place at your preferred schools.

You cannot make a late application online.

Visit a Hub for a late application form or download one from our website.

Receiving an Offer

You will receive an offer of a school place (if eligible) in line with the timetable.

If you do not receive an offer at a higher preference school you will remain on the waiting list for your preferred school. If a place becomes available at your higher preference school we will let you know.

LATER ALLOCATION ROUNDS

Late applications will be processed monthly after the initial round.

Unsuccessful applications from the first round and any subsequent late applications will be considered together for any available places that may arise.

The Council will only write to you in a later allocation round if:

- You did not submit an application by the published closing date so we need to provide you with the outcome of your application.
- We are able to offer a place at a school that you listed as a higher preference.
- You have not received an offer previously and a place at one of your preferences has become available.
- You submitted an alternative preference for the Council to consider and are awaiting the outcome.

Accepting Offers

IT IS YOUR RESPONSIBILITY TO ACCEPT THE OFFER OF A SCHOOL PLACE

If you want to decline the offer of a school place it is most important that you advise us as soon as possible so a place can be offered to another child. Please also advise us of your alternative provision arrangements.

What will happen if you have not accepted a school place by September 2023?

If the Council has not been able to offer a place at any of your preferred schools, you will be provided with details of schools with vacancies at that time, provided you have not informed the Council you have secured an offer of a place for your child at an alternative school.

If the Council's records indicate that you have still not accepted a place for your child to start school from September 2023 or that you have not made other arrangements, the Education Welfare Service will contact you.

Under Section 7 of the Education Act 1996, parents have a legal duty to ensure that their child receives an education suitable to his/her age, ability and aptitude and any special needs. Should you fail to register your child at a school and not make suitable alternative education arrangements, then Cardiff Council may have to consider taking legal action against you.

HOW SCHOOL PLACES ARE ALLOCATED

This flowchart shows how your application is processed

STEP 1

After the closing date, all on-time applications are considered together. This is called the initial round.

STEP 2

Your child's name is placed on a list for each school you have named as a preference. Each preference is considered independently. We might need to get in touch and request further evidence from you. It is your responsibility to reply promptly and to provide the evidence requested.

STEP 3

Places are allocated up to the Admission Number for each school. The Admission Number is the number of pupils who can be admitted to the school. This number is agreed in accordance with the Measuring the Capacity of Schools in Wales Guidance as set by Welsh Government.

STEP 4

If there are not enough places for all the applicants, the school is oversubscribed. We then assess the applicants against the Admissions Oversubscription Criteria. This is based on the individual circumstances stated and the evidence submitted.

STEP 5

Only the highest preference that can be allocated is offered. Schools that are listed as a lower preference will be offered to other children.

STEP 6

On offer day we will inform you of the school place we can offer your child. If it has not been possible to offer a place at one of the preferred schools, we will provide a list of those schools that continue to have places.

STEP 7

If you have received an offer of a place from us, you should confirm you wish to accept by the date specified. Your place may be withdrawn if you do not advise us of your decision. Any places declined at Community Schools will be re-allocated to other children.

STEP 8

The Admissions Team will process late applications on a monthly basis after the offer date. The same oversubscription criteria will be applied. **Children will remain on the waiting list until 30 September 2023.** We will inform you if there is a change in offers.

After 30 September 2023, if you wish to apply, you must complete an application to change school during the academic year. By this time of year, there will be very few places available in schools.

EXPLANATION OF TERMS

Additional Learning Needs

Please see ALN section (page 63)

Catchment Area

Children living in this area get a higher priority for admission to their catchment school. Catchment schools are not always the closest school to your child's home. You can find out about your catchment schools by checking online www.cardiff.gov.uk/onlinemaps. Living in a school's catchment area does not guarantee a place.

Change of circumstance

There may be changes in a family's circumstances after the initial outcome of the application was issued (for example, a change of address). This change may mean that the application no longer meets the grounds on which it was originally assessed. **In this situation the application will be re-assessed and in some circumstances may result in the withdrawal of the original offer of a place.** Careful consideration should therefore be given to changing address. It is important that you tell us if you move house after you have made your application.

Change of address

For Annual Admissions, if you move between the closing dates of application and the start of the autumn term (Monday 4 September 2023) your application will not be assessed on the new address until after the initial allocation of places.

If your address changes after you have made your application but before your child has their first day of school, the new address can't be used until after the Council can verify the move has taken place. The new address will then be used in all following rounds of admission, if places become available at the school. If your address changes after you have received an offer of a place, but before your child has their first day of school, the Council will withdraw this offer if your change of address makes your child less eligible than children that were refused in the same round of allocations.

Child's residence

On your application, you must use your child's place of residence. This is where the child lives for most of the time and the majority of the school week (at least 3 out of 5 school days). This must be where your child lives at the point of application and until the school year begins. It is where you and your child live together, unless you can show that they live elsewhere with someone with legal care and control of your child. For admission purposes, this must be a residential property that is your child's only or main residence.

When considering applications for oversubscribed schools, stringent residence checks will be completed. Please be aware we carry out spot residence checks. The following are examples of evidence you may be required to provide:

- Council tax information
- Recent utility bills
- Driving licence
- Child benefit information
- Bank statement
- Tenancy agreement.

We can refuse to accept the address stated if there is insufficient evidence or we receive information that suggests a false address has been provided. If we have concerns about the address provided, we will ask for more evidence to confirm where you and your child live. If satisfactory evidence is not received a school place will not be offered on the basis of residence.

SCHOOL PLACES CAN BE REMOVED IF WE RECEIVE INFORMATION THAT SUGGESTS YOU DO NOT LIVE AT THE ADDRESS PROVIDED IN YOUR APPLICATION.

Children of UK Service Personnel and other Crown Servants (including Diplomats)

The future address of UK Service Personnel will be accepted if their application form is accompanied by an official Ministry of Defence (MoD) letter stating a definite return date and confirmation of the new address.

Applications for children of former UK service personnel or other former Crown Servants will be treated as all other applications.

Compelling Medical or Compelling Social Needs

You may feel that for medical or social reasons that your child must attend a certain school. In these cases written support from a medical consultant (not GP) or a social worker must be provided. The letter must be dated no more than six months before the date you apply for school, and include detailed reasons which explain why it is necessary to admit your child to a named specific school. It is important that the letter addresses why the particular school would better meet the needs of the child whereas other schools could not. It is your responsibility to provide this information with your application by the closing date.

Please contact the School Admissions Team if you require any further clarification – **before** you submit your application.

Coordinated Admissions

In 2018 Cardiff Council started a coordinated admissions pilot programme together with three partner secondary schools which will continue for the September 2023 admissions process, these are:

- Whitchurch High School
- St Teilo's CiW High School
- Corpus RC High School

Since September 2021, the Council has also co-ordinated admission arrangements with St Mellons CiW Primary School. This will continue for the September 2023 admission process.

From September 2023, coordinated admissions arrangements will be in place for ALL Faith Primary Schools except for Llandaff City C.W. Primary School, St John Lloyd R.C. Primary School and St Patrick's R.C. Primary School.

From September 2023 coordinated admissions arrangements will also be in place for the Bishop Of Llandaff CiW High School.

Applications for all schools that are part of the coordinated admissions arrangements should be submitted to the local authority. To apply to a school that are not part of the coordinated admissions arrangements you must apply direct to the school.

Geographical Information System (GIS)

The Council has developed a Geographical Information System (GIS), configured in compliance with the Learner Travel (Wales) Measure 2008 and the Learner Travel Statutory Provision and Operational Guidance 2014 route determination criteria. The shortest safe available route (as defined by the Welsh Government's 'Learner Travel Statutory Provision and Operational Guidance June 2014') is calculated (to 4 decimal places) from the co-ordinates of an applicant's home address (determined using the Local Land and Property Gazetteer [LLPG] address point data), to the nearest open school gate using Ordnance Survey (OS) route data.

Late applications

Application forms received after the closing date are late applications and will only be considered in the second or later processing rounds. Following the first round of allocations, late applications will be considered together with anyone on the waiting list.

Looked After and Previously Looked After Children

For admissions purposes, a looked after child is a child in care who is looked after by the Local Authority. This includes a child who is accommodated under a Care Order or Interim Care order. If a child is currently looked after by the Local Authority, the Council has a duty to provide that child a place even if offering them a place exceeds the admission number. The application must be made by the relevant Local Authority (Corporate Parent).

A previously looked after child is a child that was looked after by the Local Authority but is no longer. For example, if a child has been adopted or is the subject of a special guardianship order, they are previously looked after. If a child is previously looked after by the Local Authority, the Council has a duty to ensure the child is placed at the top of the list of allocations. This will not exceed the admission number.

The Council requires a social worker to write a letter confirming if a child was previously looked after.

Multiple Birth siblings

Multiple birth siblings include twins, triplets, etc. You must submit separate applications for each child. Each application will be considered on the basis of the oversubscription criteria met by the individual child. If a community school is oversubscribed, and one child (or more) from multiple birth siblings is eligible for a space, then the other (or others) can be accommodated even if it is over the admission number.

Oversubscription criteria

These are the criteria that we use to allocate places when a school has more applications than places available. This ensures that places are given fairly to all applicants. Make sure you are familiar with these criteria and provide any evidence needed to support your application.

Parental Responsibility

An application may only be made by the "parent" of the child (as defined by Section 578 of the Education Act 1996). This includes any person who is not a parent of the child but has parental responsibility for them or who has care of them. If you are not the parent but have parental responsibility, you will need to prove this by providing official documentation.

Preferences

In your application you are asked to provide preferences. These are the schools that you would like your child to attend. You should put them in the order that you want them, with the first being your highest preference. We will try to offer you a place in your highest preference. Each preference is considered equally until we are able to offer you a place. Each preference will be assessed against the Council's published Oversubscription Criteria.

You are not guaranteed a place at any particular school. Please consider which preferences you submit and the order you place them.

Refusal and waiting list

If you have not been offered a place in your preferred schools, your application will be placed on a waiting list. Applications received will remain on the waiting list until 30 September 2023. After this time, application to change schools during the academic year will need to be made.

Shared Parental Responsibility

Where there is shared parental responsibility, all parents should be in agreement about the preferences listed in the application. It is the parents' responsibility to reach agreement in respect of any application made.

If you cannot agree which school your child should attend, you should immediately take your own legal advice regarding making an urgent application to the Court. If we receive two applications from parents with shared parental responsibility, we will administer the first application submitted in order to minimise any delay in the child's admission to school.

Siblings

You must provide information on a child's siblings if you want your application to be assessed on these terms. A sibling, for this purpose, is: a brother or sister, a half brother or sister (children who have one parent in common), an adopted or fostered brother or sister, a step brother or sister (children who are related because their parents are married, co-habiting or in a civil partnership), but in every case, the children must be living in the same family unit at the same address and are enrolled and attending the school when your child is due to start school.

HINTS & TIPS FOR APPLYING FOR A SCHOOL PLACE

APPLY ON TIME

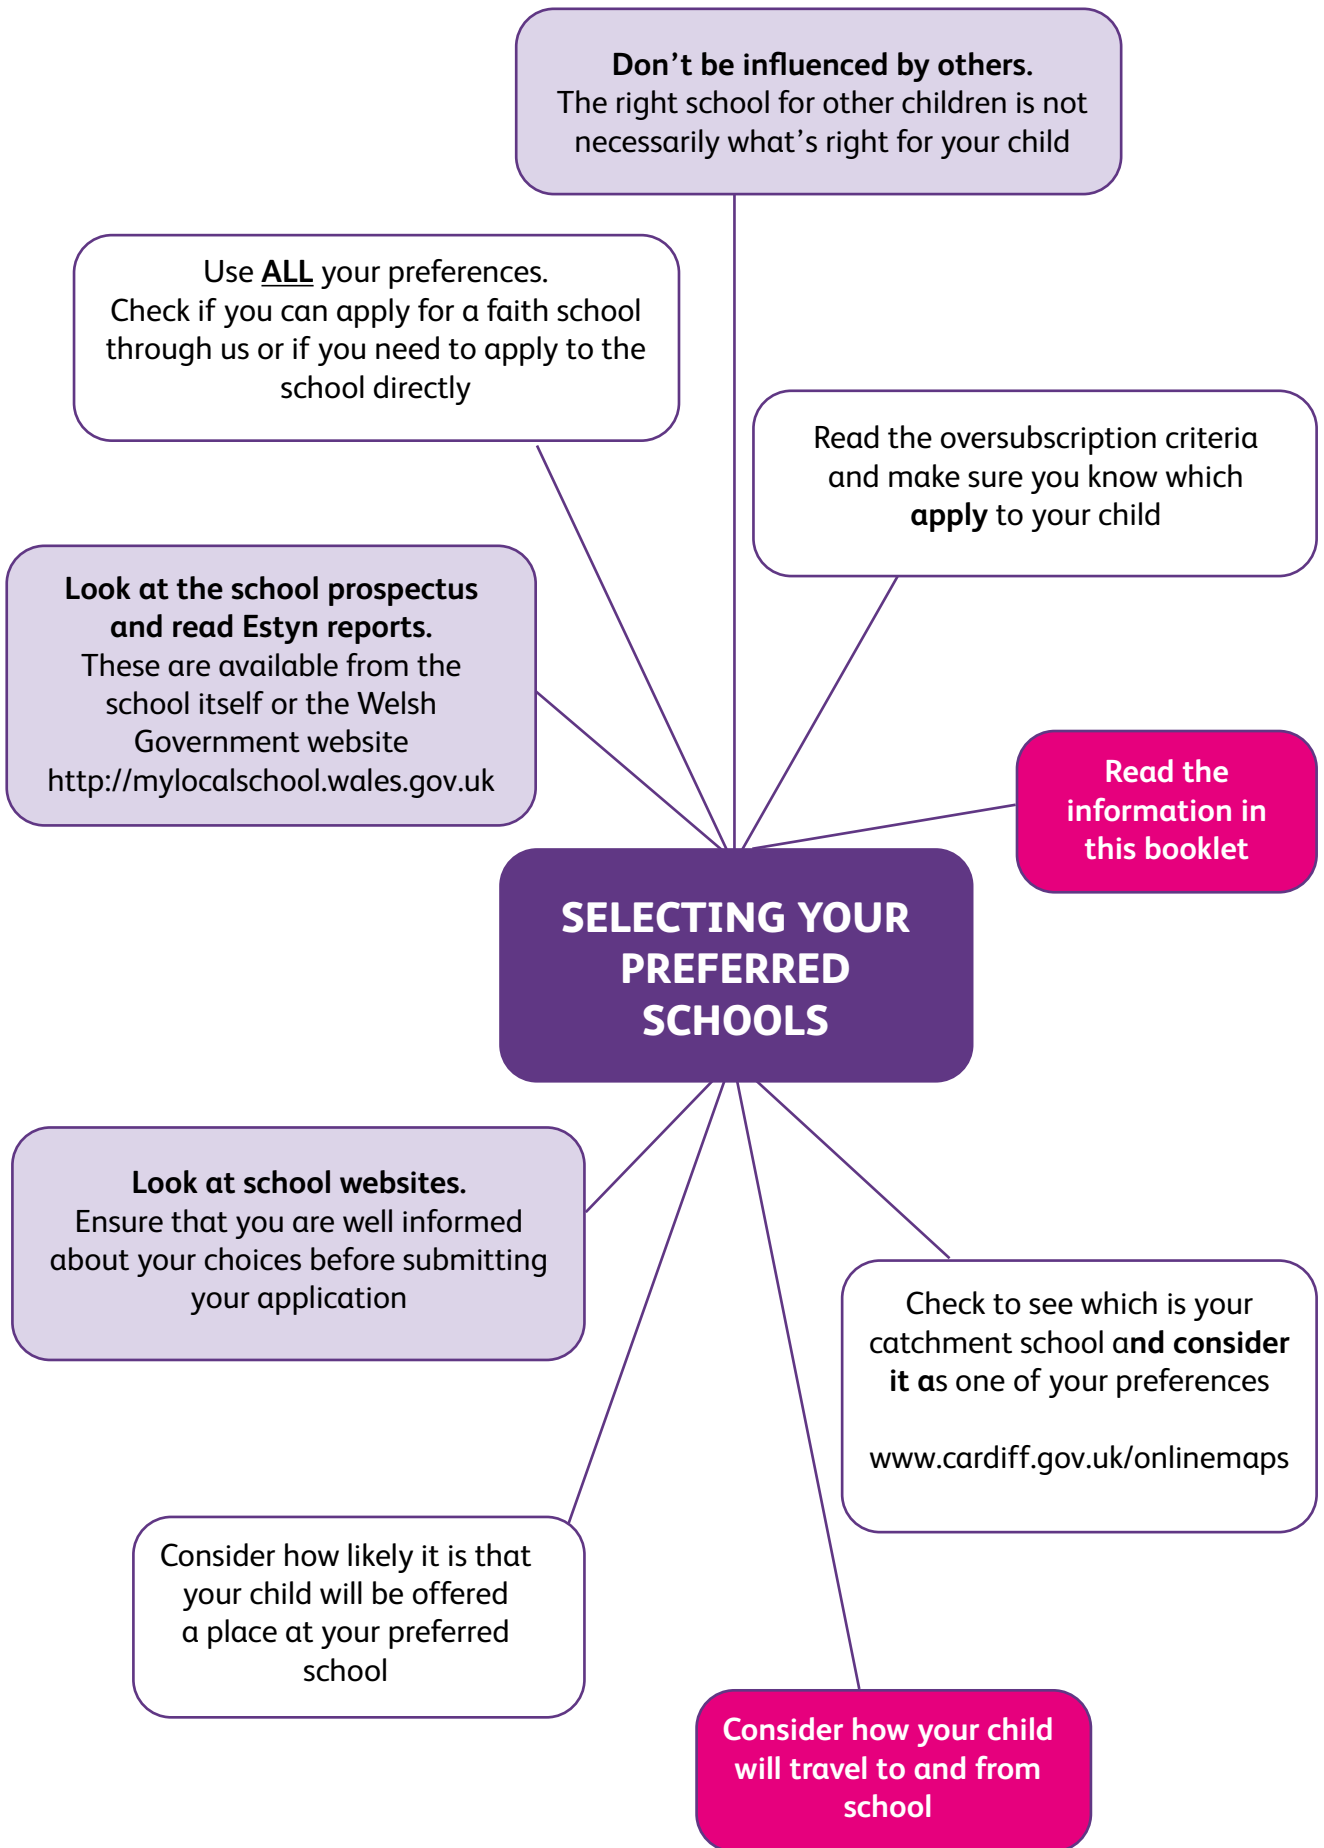

- Make sure you complete your application form accurately and on time, providing all the information requested in the form to allow us to properly assess your application.
- You will receive an automated email once you have submitted your application, if you haven't received this email then you have not applied.
- Submit all supporting evidence by the closing date.
- It is your responsibility to provide any specific information that you believe to be essential to the oversubscription criteria.
- Any applications received after the closing date will be looked at after the results for on time applications are issued.
- A late application means it is much less likely you will get a place at a school you prefer.

USE ALL YOUR PREFERENCES

- You can only apply once for each school so use all your preference options. Each preference is treated equally.
- The order you put your school preferences in is important. We will ALWAYS allocate the highest preference where possible.
- At **nursery** level the Council processes applications for all community schools and St Mellons CiW Primary School
- At **primary** and **secondary** level (excluding when changing schools during the academic year) you can include Whitchurch High School and all faith schools **except** Llandaff City C.W Primary School, St John Lloyd R.C Primary School, St Patrick's R.C Primary School, Mary Immaculate High School and St Illtyd's Catholic High School.
- Please apply for the faith schools listed above separately and direct to the school(s) themselves.

CHOOSE WISELY

- Do not assume you will be given a place just because you have a sibling in the school or your child attended the school's nursery.
- Do not assume you are in catchment just because you live near a school. Check the Council's website to make sure: ishare.cardiff.gov.uk
- Think about the Council's oversubscription criteria.
- You have a limited number of preferences so be realistic.
- Consider including your catchment school as a preference.

School Admission Facts

Please read these facts which will help you complete your application.

WE CANNOT OFFER YOUR CHILD A PLACE UNTIL YOU MAKE YOUR APPLICATION. YOUR CHILD WILL NOT BE GIVEN A SCHOOL PLACE AUTOMATICALLY.

You are strongly advised to list:

3 Schools (Admission to Primary Education),

5 schools (Admission to Secondary Education)

You should list the schools in the order you would like them, not in the order you think you might be offered them

THERE ARE LIMITS ON THE NUMBER OF PUPILS THAT CAN BE ADMITTED TO A SCHOOL IN ANY ONE YEAR. ONCE THAT NUMBER IS REACHED, NO FURTHER PUPILS WILL BE ADMITTED.

THERE IS NO GUARANTEE OF A PLACE AT YOUR CATCHMENT AREA SCHOOL.

Did you know Welsh-Medium could be an option for you? We have a very successful Welsh Immersion Unit that has effectively supported children to gain fluency over 1-2 terms so that they can transfer to a Welsh-Medium school.

A sibling at the school does not guarantee Admission – but please make sure you include sibling details in your application because it might help.

If your child attends the Nursery attached to your preferred Primary school this does not mean that they will automatically get a reception class place at the school. A new application must be made for a reception class place.

IF YOU ARE APPEALING FOR A HIGHER PREFERENCE SCHOOL, YOUR CHILD CAN STILL ACCEPT A SCHOOL OFFER ELSEWHERE, AND STAY ON THE WAITING LIST FOR THE HIGHER PREFERENCE.

IF THERE IS A VACANCY AT AN OVERSUBSCRIBED SCHOOL, THE OVERSUBSCRIPTION CRITERIA WILL BE APPLIED WHICH WILL SORT THE APPLICANTS BEFORE A PLACE IS ALLOCATED

CONSIDER INCLUDING YOUR CATCHMENT AREA SCHOOL AS ONE OF YOUR PREFERENCES.

Only using one preference will not improve your chance of getting a place at that school.

If your child is on the waiting list please remember their position may change as applications may be received at any time that have a higher degree of priority under the oversubscription criteria.

APPLICATIONS SUBMITTED AFTER THE DEADLINE WILL NOT BE PROCESSED UNTIL AFTER ALL THOSE SUBMITTED ON TIME. THERE WILL BE SOME DELAY BEFORE A PLACE CAN BE ALLOCATED AND IT IS POSSIBLE THAT SOME SCHOOLS WILL ALREADY BE FULL.

EARLY YEARS FUNDING

Where places are unavailable in community nursery schools or nursery classes within two miles of a child's home address, parents may apply for nursery education place funding with a recognised provider designated by the Council. The two mile radius is measured by the Council as the shortest safe available route. Where places are available in local community nursery schools or nursery classes within two miles walking route of a child's home address, the Council will only approve applications for nursery education place funding (with a recognised provider designated by the Council), where there are compelling medical or compelling social grounds which make it inappropriate for the child to attend the nursery provision offered by the Council. Written recommendations from a medical consultant or social worker or similar professional will be required giving detailed reasons explaining why the child cannot attend any of the available Community Nurseries.

How the funding is provided

Application forms are available from registered childcare providers or from Nursery Admissions nurseryadmissions@cardiff.gov.uk

Please note the following:

- Your child must be resident within Cardiff.
- You must provide a copy of your child's Birth Certificate or Adoption documents.
- All funding payments are made directly to the private provider concerned.
- THE COUNCIL WILL NOT PROVIDE RETROSPECTIVE FUNDING.
- Funding applications should be made before the term when your child is eligible to start Nursery

PRIMARY ADMISSIONS OVERSUBSCRIPTION CRITERIA

Where a community primary school is oversubscribed (more applications than places), applications received by the published closing date will be considered in accordance with the oversubscription criteria set by the Council in its School Admissions Policy 2023/24. This criteria is used to decide which children should be offered a place.

It is very important that you provide us with all of the information and evidence we need when you apply for a school place so that we can properly apply this criteria.

Places will be allocated in accordance with the following criteria in order of priority (1. Being the highest) up to the school's approved capacity and will not normally exceed the school's Published Admissions Number or breach the limitations imposed by statutory maximum class size (30 pupils) where this applies.

Criteria from the policy	What this means for you
1. Children who are looked after by a Local Authority in England or Wales or children who were previously looked after by a Local Authority in England or Wales.	<i>If a child is currently looked after, the Council has a duty to give that child a place at the school applied for as long as the school is appropriate based on the child's background and needs. If the child is previously looked after, they are still considered under this criteria and the Council has a duty to give highest priority to these children</i>
2. Children subject to an Individual Development Plan (IDP), in which a specific school is named.	<i>Please inform us if your child has an Individual Development Plan which names the school they must attend because they have an identified and agreed additional learning need(s)</i>
3. Pupils who are resident within the defined catchment area of the school and in respect of whom the Council judges there are compelling medical grounds or compelling social grounds for their admission to a particular school.	<i>Your child must live within the catchment area AND you must also provide written support from a medical consultant or social worker submitted by the closing date . It must state detailed reasons which explain why the child should be admitted to a named specific school.</i>
4. Pupils who are resident within the defined catchment area of the school and have a sibling enrolled in Reception or Years 1 to 6 who will be on register at the school when they are admitted.	<i>Your child must live within the catchment area AND have a sibling in years 1 – 6 attending the school and living at the same address in September 2023. You must provide information about the child's sibling</i>

Criteria from the policy	What this means for you
5. Children who have a brother or sister attending the school, admitted before a catchment area change	<i>You must provide information on the child's sibling.</i>
a) Where an older sibling was admitted to and continues to attend a school that was previously the catchment area school for the home address of the family at the time of the older sibling's admission, if the parent applies, the Council will give priority to younger siblings to the former catchment school.	<i>The sibling must be currently attending the school. The school's catchment area has changed, but you have not moved meaning you now live out of the catchment.</i>
b) Where an older sibling was admitted to and continues to attend a newly established community school without a determined catchment area, if the parent applies, the Council will give priority to younger siblings to this school.	<i>The sibling must be attending the new community school. Your address has not changed but the school now has a defined catchment area.</i>
6. Pupils who are resident within the defined catchment area of the school.	<i>Your child must live within the catchment area but none of the other criteria apply. Your application will be assessed based on how far you live from the school.</i>
7. Pupils in respect of whom the Council judges there are compelling medical grounds or compelling social grounds for their admission to a particular school.	<i>Your child does not live in catchment BUT you have written support from a medical consultant or social worker submitted by the closing date. It must state detailed reasons which explain why the child should be admitted to a named specific school.</i>
8. Pupils who have a sibling enrolled in Reception or Years 1 to 6 who will be on register at the school when they are admitted.	<i>Your child does not live in catchment BUT has a sibling in reception or years 1 – 6 attending the school and living at the same address in September 2023. You must provide information about the child's sibling</i>
9. In determining applications for admission in respect of other pupils the Council gives priority to children living nearest the school as measured by the shortest safe available route.	<i>Your child does not live in catchment AND none of the higher criteria apply. Your application will be assessed only on how far you live from the school.</i>
10. Where a community primary school is oversubscribed, and one (or more) of multiple birth siblings would be allocated a place but one (or more) of the multiple birth siblings would not be offered a place as the Published Admission Number has been met, the Council will admit the remaining multiple birth sibling(s).	<i>If a community school is oversubscribed, and one child (or more) from multiple birth siblings is eligible for a space but the other (or others) is not eligible, then we will accommodate the rest of the multiple birth sibling(s) even if it exceeds the admission number.</i>

PLEASE NOTE Distance from the school is used as a tie breaker on all criteria if the number of preferences which meet the same criteria exceeds the number of places available.

SECONDARY ADMISSIONS OVERSUBSCRIPTION CRITERIA

Where a community secondary school is oversubscribed (more applications than places), applications received by the published closing date will be considered in accordance with the oversubscription criteria set by the Council in its School Admissions Policy 2023/24. These criteria are used to decide which children should be offered a place.

It is very important that you provide us with all of the information and evidence we need when you apply for a school place so that we can properly apply these criteria.

Places will be allocated in accordance with the following criteria in order of priority (1. Being the highest) up to the school's approved capacity and will not normally exceed the school's Published Admissions Number.

Criteria from the policy	What this means for you
1. Children who are looked after by a Local Authority in England or Wales or children who were previously looked after by a Local Authority in England or Wales.	<i>If a child is currently looked after the Council has a duty to give that child a place at the school applied for as long as the school is appropriate based on the child's background and needs. If the child is previously looked after they are still considered under this criteria</i>
2. Children subject to an Individual Development Plan, in which a specific school is named	<i>Please inform us if your child has an Individual Development Plan because they have an identified and agreed additional learning need(s)</i>
3. Pupils who are resident within the defined catchment area of the school and in respect of whom the Council judges there are compelling medical grounds or compelling social grounds for their admission to a particular school.	<i>Your child must live within the catchment area AND you must also provide written support from a medical consultant or social worker submitted by the closing date. It must state detailed reasons which explain why the child should be admitted to a named specific school.</i>
4. Pupils who are resident within the defined catchment area of the school and have a sibling enrolled in Years 7 to 11 who will be on register at the school when they are admitted.	<i>The child must live within the catchment area AND the child has a sibling in years 7 – 11 attending the school and living at the same address in September 2023. You must provide information about the child's sibling</i>
5. Pupils who are resident within the defined catchment area of the school.	<i>The child must live within the catchment area but none of the other criteria apply. Your application will be assessed based on how far you live from the school.</i>
6. Pupils in respect of whom the Council judges there are compelling medical grounds or compelling social grounds for their admission to a particular school.	<i>The child does not live in catchment BUT you have written recommendations from a medical practitioner, social worker or similar professional which you must have submitted by the closing date. It must state detailed reasons which explain why the child should be admitted to a named specific school.</i>

Criteria from the policy	What this means for you
7. Pupils who have a sibling enrolled in Years 7 to 11 who will be on register at the school when they are admitted.	<i>The child does not live in catchment BUT the child has a sibling in years 7 – 11 attending the school and living at the same address in September 2023. You must provide information about the child's sibling if you want your application to be assessed under criteria 7.</i>
8. In determining applications for admission in respect of other pupils the Council gives priority to children living nearest the school as measured by the shortest safe available route.	<i>The child does not live in catchment AND none of the higher criteria apply. Your application will be assessed only on how far you live from the school.</i>
9. Where a community secondary school is oversubscribed, and one (or more) of multiple birth siblings would be allocated a place but one (or more) of the multiple birth siblings would not be offered a place as the Published Admission Number has been met, the Council will admit the remaining multiple birth	<i>If a community school is oversubscribed, and one child (or more) from multiple birth siblings is eligible for a space but the other (or others) is not eligible, then we will accommodate the rest of the multiple birth sibling(s) even if it exceeds the admission number.</i>

PLEASE NOTE Distance from the school is used as a tie breaker on all criteria if the number of preferences which meet the same criteria exceeds the number of places available.

Changing School During Academic Year

The School Transfer process is for any child already attending school who

- is moving into Cardiff from another Local Authority or country, or
- is living in Cardiff and wishes to transfer from one school to another

You can ask to change schools at any stage of your child's education. There may be a variety of reasons for this. Unless the request is necessary because of a house move you are strongly advised to work with your child's current school rather than transfer. **No school should be advising you or your child that they should transfer. If this is happening, please contact us.**

PARENTS SHOULD CONSIDER THE RISKS BEFORE REQUESTING A TRANSFER

There are a number of risks involved in moving schools, including:

- Disruption to the child's education and academic progress
- Disruption to the child's social environment and friendship groups
- Disruption to the child's leisure time and extra-curricular activities
- Changing school travel arrangements
- Likelihood of having to change GCSE options at a new school. This could significantly affect the achievement of qualifications in the last two years of school (14 – 16 years old).

CHANGING YOUR
CHILD'S SCHOOL
REQUIRES
VERY CAREFUL
CONSIDERATION.

MOVING SCHOOLS WITHIN THE CITY

Many issues that worry parents and children can be resolved without the need to move schools.

WE STRONGLY ADVISE AGAINST A TRANSFER REQUEST WHERE POSSIBLE.

Talking to your child and staff at your child's present school may avoid the need for your child to transfer. It is important that you consider whether a transfer is really the best option for your child.

If your request for a School Transfer is for any of the reasons listed below you should take the steps indicated before applying:

Reason for changing school	Steps to take before applying	Advice from the Admissions team
Dissatisfaction with the school	<ul style="list-style-type: none"> • Discuss your concerns with the Head of Year, Class Teacher or Head teacher. • If you feel the school has not responded appropriately, you should raise the issue with the Board of Governors. These complaints must be taken seriously. 	In our experience, moving because of dissatisfaction with the school does not solve the problem. We often see this type of issue resurfacing at the new school and that's why it's best to address it before you move.
Non school attendance	<ul style="list-style-type: none"> • Sit down with your child and try to find out why he or she is not attending school. • Talk to your child's teachers. Are there any subjects that he/she is worried about? 	By law, all children of compulsory school age (5 to 16) must receive a suitable full-time education. We often find that by talking to your child and the school the issue can be identified and steps put into place to resolve the issue. We have further advice available at Education Welfare Service (Tel: 029 2087 3619, Email: ewsreferrals@cardiff.gov.uk).
School bullying and emotional wellbeing	<ul style="list-style-type: none"> • Contact your school and ask for a copy of their safeguarding, bullying or emotional wellbeing policies. If you feel these policies have not be followed, you should inform the school. • All schools have a responsibility to address bullying and all schools are equipped to deal with this. If you feel they haven't, please contact the Headteacher or the Board of Governors. • If the bullying is particularly severe we advise you to contact the police. 	<p>All schools have a responsibility to protect the physical and emotional wellbeing of their pupils.</p> <p>If this has not been the case for your family, it must be raised with the school.</p> <p>The schools can:</p> <ul style="list-style-type: none"> • Move classes • Mediate • Arrange family meetings
Unresolved issues	<ul style="list-style-type: none"> • Make an appointment to speak to the Headteacher. • If this does not work, you can raise a complaint with the board of Governors. The school and its leadership have a responsibility to resolve issues with your child. 	We recommend parents to discuss the issues with their current school. It would not be appropriate to expect your child to move or to have a 'fresh start' because the school is not able to address your concerns.
To avoid exclusion	<ul style="list-style-type: none"> • Talk to your child's teacher / Head of Year / Headteacher. • Check if your child has a Pastoral Support Plan or has been identified as having Special Educational Needs. Ask for a review of the Pastoral Support Plan. 	If there are behavioural concerns from the school about your child, we do not recommend moving them to another school. No school should be suggesting this to your child. A disruption could make the issue worse. If you require support with this, please contact us.
Additional learning Needs	<ul style="list-style-type: none"> • Talk to the teacher in charge of Additional Needs (ALNCO) at the school. • Contact the ALN Team: SENCasework@cardiff.gov.uk 	We recommend that parents engage in dialogue with the school's pastoral support team.

IMPORTANT INFORMATION TO CONSIDER BEFORE SUBMITTING A REQUEST

If, after working with your child's current school, you still feel that a transfer request is needed, please arrange an appointment with your current school. At this meeting you should discuss:

- The reasons for needing to transfer

There may be strong educational reasons why a transfer should not take place which you need to consider, particularly in the case of pupils in Year 10 or 11.

If there is a place available in the age group at the school you would like your child to attend, your child's application will be considered. If it meets the Council's admissions criteria after appropriate checks, you will be advised in writing and asked to liaise with the Head teacher/ Head of Admissions at the school regarding the date of admission. If no vacancy exists, your child will be placed on a waiting list and you will be informed of alternative schools with vacancies (or we will suggest that your child remains at their current school). **Waiting lists are operated on a termly basis. If you wish for your child to remain on the waiting list you must submit a new application after the school term ends.**

In deciding which children to admit to a Community school, the Council applies the oversubscription criteria provided on pages 36-37 for Primary Schools and pages 44-45 for Secondary schools.

Before you make a transfer request, please consider the following:

- Where a request is made because of a change of address you should ensure that adequate notice is given for the transfer to be arranged
- No transfer is immediate and we cannot guarantee that places will be available at your preferred school
- If your child is not attending their current school, the school's attendance officer should contact you
- Pupils should continue to attend their present school until a school placement has been arranged
- Proof of residence may be required

If you wish your child to attend a Foundation, Catholic School or Church in Wales School you will need to obtain an application form from the school. Applications to these schools are considered by the Governing Body of the School. Details and contact information for all Catholic Schools, Church in Wales Schools and Whitchurch High School are can be found on pages 80-82.

Where a pupil is Looked After by the Local Authority (as defined by Section 22 of the Children's Act 1989), the Social Worker / Foster Carer should also contact the CLA Virtual School Cardiff, County Hall, CF10 4UW, CLAVirtualSchool@cardiff.gov.uk

The 1998 School Standards and Framework Act requires children aged 5, 6 and 7 to be taught in classes of no more than 30 per school teacher. The Council will not normally exceed the school's admission number or breach the limitations imposed by statutory maximum class size of 30 where this applies.

In all cases the request and the reasons for the admission request will be made known to the Head teacher of both the current and prospective school. Applications may be referred to the Council's Fair Access Panel for consideration.

Applications received in respect of pupils who are the subject of a Statement of Special Educational Needs will be forwarded to and dealt with by the Additional Learning Needs Casework Team. The email address is SENCasework@cardiff.gov.uk

We check if the child has a statement of Special Education Needs or if they are a CLA (Children LookedAfter)

We will make an admissions offer in line with the Admission policy if there are places available at the school.

If there are no places available at your preferred school you will be placed on the waiting list and informed where places are available

4. We will allocate a school based on school availability and the Oversubscription Criteria

The allocated school will review your application

If your child is from outside the UK, you will need to provide a copy of your child's UK Visa and passport to the school on admission.

The allocated school will schedule a pupil interview. This is to help them understand the child's needs

5. Your child will be given a start date by the new school

Admission Appeals

SUBMITTING AN APPEAL

The Panel are independent, unpaid volunteers; they are not part of Cardiff Council.

What are sufficient grounds for my appeal to be successful?

- There are no specific grounds which are guaranteed to be successful, but you must have compelling reasons for an appeal to succeed. You should write these clearly on your appeal form. The Panel consider the legal tests which are set out at the end of this factsheet and each appellant's individual circumstances. However commonly used grounds of appeal are:
- Medical conditions or disabilities; the Panel will consider any medical conditions your child may have, but will look for a letter from a medical consultant or a specialist giving detailed reasons to prove that they must attend the school requested. If your child's medical condition affects their ability to travel to school, they may be eligible for support with school transport; please see the relevant section of the website to make an application. All schools are expected to have procedures to support pupils with medical conditions or disabilities, for example wheelchair access or procedures for dealing with severe allergies.
- Additional Learning Needs; all schools are required to provide support for pupils who have additional learning needs. If you feel that your child can only be provided with support from the requested school, you should provide supporting evidence to that effect from a relevant professional. Schools are also able to access specialist support, and pupils can access county-wide specialist provision from any school.
- Difficulties with transport; the Panel will consider this, but will also take into account that it is the parent's or carer's responsibility to transport their children to school. Under Welsh Government legislation (the Learner Travel (Wales) Measure 2008), there is an expectation that a child of secondary school age should be able to walk up to 3 miles to school, via a safe walking route. A child of primary school age should be able to walk up to 2 miles to school via a safe walking route. However it is for parents or carers to decide if they need to be supervised on their journey to school. If you have applied to your catchment school but the nearest suitable school is further than these distances, you may qualify for free school transport; please see the section of the website to make an application.
- Difficulties with childcare provision; the Panel will consider this but will also take into account that it is the parent's or carer's responsibility to care for their children, and that many schools offer free breakfast clubs and after school clubs to support parents. The Council's website provides information about the various clubs that are available at each school, and Cardiff Family Advice and Support (page 61) also provides information about childcare options across the city.
- Excellent standards or results; the Council and School Governing Bodies are committed to raising standards in all schools. Although the Panel acknowledges that parents will want the best education for their children, attending a school which is perceived to have lower standards or poor exam results is not likely to be considered to meet the legal test for a successful appeal.
- Friends or family support at the school; the Panel will consider your child's individual needs, but this may not be sufficient to meet the legal test, unless there are compelling reasons why your child needs the specific support at the requested school.
- Alternative schools offered are not appropriate; although the Panel (as well as the Council) recognise the parent's or carer's right to express a preference for a particular school, there is no guarantee of a place at the requested school. The Panel will take into account the alternative schools the Council has available for your child. If you have compelling reasons why all the alternative schools are not appropriate, this may be a successful ground for appeal. As the Council usually gives details of 4 alternative schools, you may wish to consider whether any of them are appropriate, and if they are not, be prepared to explain this to the Panel.
- Aptitude or ability; the admission arrangements for community schools do not make any provision for selection by aptitude, or for pupil banding. All schools are expected to have support in place for pupils

of all abilities; therefore the Panel will not usually consider your child's school report or achievements as a compelling reason, unless you feel that there is a specific educational provision only available at the requested school. All schools provide special programmes or specific curriculum needs for the gifted and more able children in a variety of subjects, as this is part of a school's commitments and responsibilities.

What happens at the appeal?

Your appeal will normally be heard in private, but, if there are several appeals for one school the first stage of the appeal may be done as a group with other parents present who have also appealed. The appeal hearing is held in 2 parts.

1. In the first part, Cardiff Council will explain why they turned down your application and why the school would be too crowded if extra pupils are admitted. You will be able to ask Cardiff Council questions about their reasons for refusal. You and Cardiff Council will then leave the room whilst the Panel makes their decision.

If at this stage the Panel decides that there was no need to refuse a place, for instance, if the school would not be too crowded, the hearing will end and you will be informed that the appeal has been successful.

2. If the Panel decides that there were reasons for refusal on the grounds that the school would be too full, then a second stage will follow.

The second stage is always individual (private) appeals. Cardiff Council will explain which other schools are available for your child, and will show how far they are from your home address. You will then be able to explain why your child should be provided with a place at the school even though it is full. Cardiff Council can ask you questions and the Panel may also ask you questions so that they can understand all of the circumstances.

What happens after the hearing?

After the hearing, you will receive an email at the end of the day (or at the end of the day when all appeals have been held for group appeals) confirming whether or not the appeal has been successful – a 'Yes' or 'No' about whether your child can attend the school. After that you will usually receive a full written decision notice giving you the reasons for the Panel's decision within 2 weeks although this may be longer between April and July.

The decision of the appeal panel is final and legally binding on you and Cardiff Council. The decision can only be overturned by the courts where either you or Cardiff Council are successful in applying for Judicial Review of that decision.

If you consider there was maladministration on the part of the Panel, or a fundamental flaw in the way the Panel conducted the case or arrived at its decision you may have the right to make a complaint to the Public Services Ombudsman, the National Assembly for Wales.

What happens if I change my mind about the alternative schools offered?

You should contact the School Admissions Team on 02920 872087 if you want to accept a place in one of the alternative schools offered at any time before or after the hearing. Please note availability can change on a daily basis, which means School Admissions may provide you with details of different alternative schools.

Can I re-apply for a school place if I have been turned down?

Cardiff Council may consider a new application if there has been a significant change in your circumstances. You can re-apply for a place again in another school year and also have a fresh right of appeal if you are not successful in obtaining a place. You can also express your right of appeal for more than one school in the same academic year if you are refused a place. You would not normally have a right to a second appeal for the same school for admission in the same academic year.

Who can I bring to the appeal?

You should attend the appeal as it is your opportunity to tell the Panel everything you want to about why your child should be admitted to the School. You can bring a friend or representative to attend with you. Appeals are an informal process so you should not need a legal representative but you can bring one if you would like to; you would have to pay for their attendance yourself. If you do intend to bring a legal representative, you must let us know.

You cannot bring a Councillor, AM, MP or MEP or someone employed by Cardiff Council (or at a School). You are able to bring the child with you to the hearing (but the process usually takes 1 hour and so is long for young children). If your child is older and wants to speak to the Panel themselves, they can do so.

Will I understand everything at the hearing?

You should tell us on the appeal form if you would like the hearing to be heard in Welsh or if you need the support of an interpreter (for any language). If so we will make the necessary arrangements free of charge.

What if I am unable to attend the hearing?

If you are unable to attend and would like the hearing to be moved to another date, you should contact us as soon as possible. You are also able to send in written information or to send someone to represent you at the hearing (please confirm in writing that they have the authority to represent you). If you do not attend then the hearing will go ahead without you, based on the details given in your appeal form and any other documents that you have sent.

What type of appeal is it and what does that mean?

The letter inviting you to the hearing will tell you what type of appeal it is, either an Infant Class size Prejudice Appeal or an Ordinary Prejudice Appeal.

Infant Class Size Prejudice Appeal

Infant Class Size Prejudice relates to appeals for Reception, Year 1 and Year 2 (years with children aged 5, 6 and 7). This is because for those age groups, the Welsh Government have limited the class sizes to no more than 30 pupils. If a school accepts more than 30 pupils for any of these classes, they must then ensure that they take what is known as “relevant measures”, that is, steps to make more than one class, such as employing a new teacher and building a new classroom.

There are specific rules about Infant Class Size Prejudice Appeals and there are only a few cases where appeals made by parents may be upheld, as in law one infant class is to have no more than 30 pupils.

These specific rules are:

- The admission arrangements did not comply with the law and the child would have been offered a place if they had been compliant;
- There was a fault with applying the arrangements in the case of the child;
- The decision not to offer a place was not a reasonable one. Unreasonable in this case means ‘wholly irrational.’

The questions the Panel has to consider are:

1. Is there sufficient evidence to satisfy the Panel that the admission arrangements are lawful?
2. Is the admission number reasonable?
3. Has the number been reached?
4. Would qualifying measures be needed?
5. a) Has Cardiff Council properly implemented its admission arrangements?
b) If not, would the child have been offered a place if Cardiff Council had properly implemented its admission arrangements?
6. Was Cardiff Council's decision to refuse a place one which a reasonable authority would make in all the circumstances of the case?

Ordinary Prejudice Appeal

Ordinary Prejudice means that the Panel will balance the prejudice (unfairness) to the School in admitting another child which may mean it is overcrowded, against the prejudice to your child in not being admitted to that School.

The questions the Panel has to consider are;

1. Is there sufficient evidence to satisfy the Panel that the admission arrangements are lawful?
2. Is it a reasonable admission number?
3. Has the number been reached?
4. Has prejudice to the school been proved?
5. a) Has Cardiff Council properly implemented its admission arrangements?
b) If not, would the child have been offered a place if Cardiff Council had properly implemented its admission arrangements?
6. Would there be more prejudice to the child if not admitted, than prejudice to the school if the child is admitted?

School Admission Appeals operate in accordance with the Welsh Government's School Admissions Appeals Code which can be found in full on their website gov.wales and typing School Admissions Appeal Code in the search box at the top right-hand side of the screen.

CHARGING FOR SCHOOL ACTIVITIES

Information regarding a school's policy for charges for school activities can be obtained from the Headteacher of the School concerned.

EDUCATIONAL WELFARE SERVICE

The Education Welfare Service (EWS) works in partnership with schools, school based Attendance Officers, pupils, parents/carers and other appropriate agencies to promote and enforce regular school attendance and ensure children and young people gain access to the educational opportunities available to them.

Each secondary school has a School Attendance Officer who is also responsible for working with pupils from their cluster primaries. They undertake work with children and families in the early stages of absence. If no improvement is made, pupils will be referred to the Education Welfare Service for further specialist support and intervention. If appropriate, the Education Welfare Service will instigate legal proceedings against parents who fail to meet their legal obligations.

If you are worried, concerned or feel there is a problem with your child's attendance it is always best to speak to the School Attendance Officer in the first instance. If you feel unable to do this or you would like further help please contact:

FREE SCHOOL MEALS

Free School Meals are available to pupils who are in a Cardiff Council maintained school of compulsory school age whose parents/guardians are in receipt of one of the following Benefits:

- Income Support
- Jobseeker's Allowance (income-based)
- Employment and Support Allowance (income-related)
- Child Tax Credit, with a household income of £16,190 or less
- Universal Credit with a net earned income below £7400 per annum or £616.66 per month
- Pension Credit (guarantee element)

Asylum Seekers and pupils with no recourse to public funds can also claim Free School meals.

Children attending Independent/ Private schools are unable to receive Free School Meals.

Working Tax Credit is **NOT** a qualifying Benefit and if you are in receipt of Working Tax Credit, you will not be entitled to Free School Meals even if you get this together with one of the benefits above. This is because Working Tax Credit is intended to include assistance towards the cost of school meals.

If you meet this criteria, a Free School Meals application will need to be completed, online via the Cardiff Council website or paper copies are available in all Council HUB offices and schools.

If you complete your application form online it will go directly to the Free School Meals department for assessment. If you complete a paper copy this will need to be submitted to the department via post, email or by attending a HUB. We will then check if you are entitled to receive this payment with the Department for Work and Pensions.

LEARNERS WITH ADDITIONAL LEARNING NEEDS (ALN)

The Special Educational Needs (SEN) system is being replaced with a new Additional Learning Needs (ALN) system which will support children and young people with ALN from birth to 25 years of age in Wales. The Welsh Government have introduced a phasing in of the new ALN system over a three-year period beginning in September 2021. Further information about the new ALN system and processes can be found on the council's website www.cardiffeducationservices.co.uk

The new system reflects the principle that mainstream local schooling will be in the best interests of the child in most cases. If the parent wishes their child to be educated otherwise than in a mainstream school, the council must have regard to those wishes but is not necessarily required to secure that the child is educated otherwise than in a mainstream maintained school.

Learners with complex or significant needs may require a more specialist placement for example a Specialist Resource Base with access to mainstream classes or a Special School. The Local Authority will continue to consider and agree school placements for identified learners through their annual review in consultation with learners, parents, schools, and other services. If you feel your child may need a more specialist placement, please talk to the Additional Learning Needs Coordinator (ALNCO) at your child's school.

PUPIL DEVELOPMENT GRANT (Previously School Uniform Grant)

- Children aged 4 to 15 in a special school, special needs resource base or a pupil referral unit
- All Looked after Children based in a Cardiff School (of compulsory school age) regardless of income

The parent/guardian making the application must be receiving one of the following:

- Income Support
- Job Seekers Allowance (income based)
- Employment Support Allowance (income related)
- Child Tax Credit, with a household income of £16,190 or less
- Pension Credit (guarantee element)
- Universal Credit with net household earnings of less than £7400 per annum or £616.66 per month

Working Tax Credit is **NOT** a qualifying Benefit and if you are in receipt of Working Tax Credit you will not be entitled to a Pupil Development Grant even if you get this together with one of the incomes above.

Pupils with no recourse to public funds and asylum seekers entering any primary school year and Years 7, 8, 9, 10 & 11 in the 2022/23 school year are entitled to a grant. We have not been advised of the funding for subsequent academic years yet.

Funding of up to £125 is available for each eligible child with the exception of those in Year 7 who are entitled to a maximum of £200

If you meet these criteria, an application form will need to be completed online via the Cardiff Council website. If you are unable to access the website paper forms are available in all HUB offices and schools.

The completed application will then need to be submitted to the Free School Meals department for assessment. TRAVEL TO SCHOOL

Active travel such as walking, cycling or scooting should be your method of choice when choosing how to get to school. Sustainable travel can promote physical activity, improve pupil learning, and contribute to a safer local environment. To find out more or ask for advice, visit www.keepingcardiffmoving.co.uk or email the team travelplans@cardiff.gov.uk

ARRANGEMENTS FOR THE PROVISION OF FREE TRANSPORT TO SCHOOL

Who is entitled to Free School Transport?

Parents are able to choose an English-medium, Welsh-medium or a denominational school. Free transport will be given to the nearest suitable school (within the Cardiff Council boundary) as long as the home address is more than the statutory walking distance from the school; (2 miles for a primary school pupil and 3 miles for a secondary school pupil). **No transport is provided to pupils/students aged 16+ in Year 12 and above.**

What transport is available?

If your child qualifies for free home to school transport, the Passenger Transport Team will normally give permission to travel on a special contract vehicle if there is one serving your area. In other cases a bus pass will be provided to travel on public transport. For details of fare paying and contracted Bus Services available to schools please check the Council Website (please note routes and services are subject to change in August prior to the start of each new school year).

School bus routes (cardiff.gov.uk)

How will you be notified?

The Passenger Transport Team automatically checks eligibility for free school transport. Details of travel arrangements are sent out to parents in August. Bus passes are issued direct to the schools for distribution during the first week of the Autumn Term. During this period, pupils can travel on the school buses using the letter confirming the transport arrangements.

What if your child is not entitled to Free School Transport?

Pupils who do not qualify for free transport are sometimes permitted to travel on buses contracted by the Council, on payment of a fee, but only where a spare seat is available. The provision of this facility does not represent an obligation on the Council as it is entirely dependent on the capacity of the vehicle used. It may be necessary to withdraw the facility at short notice if a child who is eligible for free home to school transport requires the seat.

For information on other travel options please visit Keep Cardiff Moving which includes a link to Traveline Cymru to help you plan journeys by bike and public transport, Cardiff's Walking and Cycling map and advice on cycle training and where to hire or buy a bike.

ADMISSION POLICIES – FAITH SCHOOLS

PRIMARY SCHOOLS

All Saints' Church in Wales Primary School

Admissions Policy 2023/24

The United Nations Convention on the Rights of the Child (CRC) is at the heart of our school's planning, policies, practice and ethos. As a rights respecting school we not only teach about children's right but also model rights and respect in all relationships. This policy is linked to:

Article 3: Everyone who works with children should always do what's best for each child
Article 14: Your right to follow your own religion.

Article 28: Your right to learn and to go to school.

Article 29: Your right to become the best that you can be

Admissions Policy

The law requires the Governing Body to publish its arrangements for the admissions of pupils to the All Saints Church in Wales Primary School ("the School"). The Standard Number for the School is 30 pupils in each year.

For those parents who do not know our school, you are very welcome to visit the school before making an application. Please contact the school office on 029 20735 106 or email allsaintsprm@cardiff.gov.uk if you would like to arrange a visit.

ADMISSIONS POLICY AND GUIDANCE FOR 2023/24

All Saints Church in Wales Primary School is a voluntary aided co-educational day school and one of its foremost aims is to provide a Christian education in accordance with the teachings of the Church in Wales. Placements in the school are awarded at the discretion of the Governing Body who review their admissions policy annually.

The planned admission number is the number of pupils that the Governing Body will admit to a year group in the school. The planned admission number for this school is 30.

Children are admitted into the school in the autumn term of the academic year in which they turn five. (The academic year runs from 1st September to 31st August.)

Parents applying for a place in reception at the school, must express a preference for a place at the school via the council's school's admissions portal at www.cardiff.gov.uk by the deadline set by the Local Authority.

Support from parish priests and ministers will be sought by the school and the Admissions panel of the Governing Body will meet if there are more applications than places available.

Applicants will be notified of the result of their application in writing by the Governing Body on the offer date of, Monday 17th April 2023, unless you have been offered one of your higher preferences through the coordinated admission process.

Parents whose application to reception has been unsuccessful have the right to appeal. To exercise that right, the appeal must be made in writing to the Clerk to the Governors within 15 school days of receiving notification of an unsuccessful application. The appeal will be considered by an independent Admission Appeal Panel, administered by the Monmouth Diocesan Board of Education, according to the Welsh Assembly Government's Code of Practice on School Admission Appeals. There is no appeal procedure for applications to Nursery as this is non-statutory education.

Following the allocation of places, children whose application has been unsuccessful will be placed on a waiting list until the 30th September in the school year in which they apply. Thereafter, the

parents should make a fresh application for admission directly with the school. If additional places become available while the waiting list is in operation, they must be allocated to children on the waiting list based on the published oversubscription criteria.

Waiting lists must not give priority to children based on the date the application was added to the list. For example, if a child moves to an area outside the normal admissions round and has higher priority under the oversubscription criteria, they must be ranked above those with lower priority already on the list. Parents who wish to discuss position on a waiting list can ring the school.

Applications for a place in any year group, at any time of year (e.g. families who have moved into the area) will be considered in the light of available places and placed on the waiting list as appropriate. The Governing Body has a duty to prioritise admission of children Looked After or previously Looked After by the Local Authority or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989). Priority will also be given to children with a Statement of Special Educational Needs or note in lieu where the school has been named, including Children with enhanced nursery funding from the Case Advisory Panel at the date of application. Priority may be given to applications for children with a significant medical condition which can be supported by documentary evidence from a Medical Consultant or Social Worker. All children whose parents wish them to attend the school will be admitted provided the number seeking admission does not exceed the places available.

In the event that the number of applications exceeds the school's standard number, the applications shall be determined in accordance with the following criteria. Places will be offered to those in Category 1, any remaining places to those in Category 2, then Category 3, 4, 5, 6, 7 and then finally to any other applicants in Category 8.

Where the Admissions Committee is unable to offer a place for all children within any category because the admission number would be exceeded, places will be allocated to those applicants who fall within any one of the categories listed in the following priority:

- Children who have a brother or sister (including step-brother/step-sister living in the same house) attending the school at the time, would be admitted were their application to be successful, followed by
- Those who live nearest to the school. Proximity is measured by calculating the shortest walking distance from the school postcode to the home postcode as measured by RAC Route Planner (Walking). The Admissions Committee will use the school's main postcode CF23 9LF. For the purposes of this exercise, the 'home address' for children whose parents do not live at the same address is the address where the child will spend the majority of the school week (i.e. at least 3 evenings/nights, Sunday to Thursday) during term time.

Applications for any year group, at any time in the year (e.g. families who have recently moved home) will be considered by the Admissions Committee in accordance with the School's Policy and oversubscription criteria.

School Oversubscription criteria

1. Children who are "looked after" by a local authority, and/or has a statement issued by the local authority, must be admitted to the school.

This includes Presbyterian Church of Wales; the Chinese Christian Church; the Union of Welsh Independent Churches; Baptist Union of Wales; the Methodist Church; the United Reformed Church; Covenanted Baptist Churches; the Salvation Army; the Roman Catholic; the Congregational Federation of Churches; Religious Society of Friends and Orthodox Church. Churches must be members of Cytun or The Evangelical Alliance as at the closing date for applications to the School, and attend church weekly, or fortnightly for at least two years
5. Children who have a brother or sister, including step-brother/step-sister living in the same house, attending the school at the time they would be admitted were their application to be successful.
6. Children who, with their parent(s) or guardian(s), are in weekly/fortnightly attendance of any Christian denomination, or other World Faith, that does not fall into categories 1 to 4 above and

where the denomination is in communion with the Church in Wales and whose long term participation can be substantiated by a senior representative of that faith organization, and whose families wish their child to be educated in a Church in Wales School.

7. Children living with parent(s) or guardian(s) within the Cyncoed ministry area
8. Children whose parent(s) or guardian(s) are applying for admission for other reasons.

Provided always that the Governing Body reserves the right to depart from these criteria if there is compelling evidence that the welfare of a child will be seriously prejudiced if the child is not admitted to the school.

When considering applications from parent(s) or guardian(s) of children seeking admission on grounds of social or medical needs, the school may consult with the Special Educational Needs Co-ordinator, Headteacher and Local Education Authority as appropriate.

Criteria for categories 2, 3, 4 and 6 will be determined strictly in the light of the signed recommendation from the incumbent or priest-in-charge of the church concerned.

Firm offers of places for the September 2023 intake will be sent to parents by 17th April 2023. Appeals against the School's decision not to admit a child should be sent to the Clerk of the Governors, c/o the school, within 15 school days of the date on the letter of refusal and will thereafter be considered by an Independent Appeal Committee.

Applicability of this policy:

New versions of this admissions and over-subscription policy shall be effective from 1st September 2023 (start of the new academic year) after formal adoption by the full Governing Body.

This is in order to ensure parents of applicant children have sufficient notice of the over-subscription policy when selecting a school.

Bishop Childs VA Church in Wales Primary School

Admissions Policy 2023-2024

Admissions Policy and Procedures

We welcome applications from Christian families, those of other faiths and none.

You do not need to be a Cardiff resident to make an application via the Cardiff Council's School Admissions Portal

Legislation

This policy complies with the following legislation and statutory codes: The School Standards and Frameworks Act 1998; the School Admissions Code and the School Admissions Appeals Code.

Capacity

The capacity of the school is the number of pupil places it contains. The number is agreed with the Local Authority and calculated using Welsh Government Guidance – 'Measuring the capacity of schools in Wales'. The present capacity is 210.

School Roll

The number of children actually attending the school is 214.

Admission Number

The Admission Number (AN) is the number up to which children should be admitted to a relevant age group e.g. Reception, if sufficient applications are received. Pupils may not be refused a place until the AN is reached. At this point all applications will be assessed against the oversubscription criteria and places awarded accordingly. In the case of the reception class at Bishop Childs Church in Wales Voluntary Aided School, this number is 30.

Responsibility for admission arrangements is delegated to a sub-committee of the school's governing body, known as an 'admissions committee'. The school works closely with the local authority to co-ordinate closing dates for receiving applications and sending offer letters across the local authority area.

The Application Process and Timetable

The school follows Cardiff Council's timetable for the Reception age group, as outlined below (for September 2023 intake):

14th November 2022 – 09 January 2023

Parents applying for a place in Reception Year at Bishop Childs Church in Wales Primary School must express a preference for a place at the school on the Council's School Admissions Portal at www.cardiff.gov.uk. Parents must also complete the school's supplementary application form that can be found at www.bishopchildsprm.co.uk/admissions

Applications close on 09 January 2023

All applications received up to and on the closing date will be considered together.

January – February 2023

The school ranks all applicants in order of priority. This list is submitted to Cardiff Council for entry into the Central Admissions Database. The Central Admissions Database will allocate the highest preference place to which a child qualifies for admission.

Monday 17 April 2023

Applicants will be notified of the result of their application in writing by the Governing Body on the offer date of Monday 17 April 2023, unless the applicant has been offered one of their higher preferences through the coordinated admissions process. Unsuccessful applicants will be informed of their right to appeal.

Tuesday 02 May 2023

The deadline for parents to respond to the council, either accepting the offer of a school place, or refusing.

Applications received after the closing date will only be considered after all those received by the deadline have been considered. This means if no places are left after considering all the cases before the deadline, even if you fulfil a higher criterion than under which places have been offered to other applicants, you will be unsuccessful.

Parents have the right to appeal against a decision not to offer a place.

At Bishop Childs Church in Wales Voluntary Aided Primary School, pupils are admitted to the Reception Year at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday.

Allocation of places

Applying through the Common Application Form means that the Council knows the order of parents' preferences. Places will be allocated by the Council according to this order of preference. Only one school place will be allocated to each child.

Admission outside the normal round

All applications for admission at any time other than the normal entry into Reception should be made on the school's application form, available from the school website:

www.bishopchildsprn.co.uk/admissions

This form should be sent directly to the school. Places will be offered subject to space being available in the relevant class.

Oversubscription Criteria

Where the number of applications received up to and including the closing date for applications is less than, or equal to, the admission number, all the children will be offered a place in the Reception class. Where the number of applications exceeds the admission number, places will be allocated in accordance with the following oversubscription criteria:

Children with statements of special educational needs naming Bishop Childs Church in Wales VA Primary School will automatically be admitted before the over subscription criteria is applied.

1. Children who are, or have previously been, looked after by the local authority (see Note 2 for definition).
2. Children who have a sibling who is a pupil at the school at the time of application and who will be a pupil at the school at the time of admission (see Note 3 for definition).
3. Children who regularly attend worship/Sunday school (or equivalent) at St Mellons Parish Church or another Anglican church (see Note 4 for definition).
4. Children who regularly attend worship/Sunday school at a church of any other Christian denomination (see Note 4 for definition).
5. Children from another faith who regularly take part in worship (see Note 4 for definition).
6. Children who live within the locality of the school (see Note 5 for definition).

Multiple Birth Children (e.g. Twins or Triplets)

Multiple birth children will be given priority over any other children in the over-subscription criteria 2 to 6 above.

Distance Criteria/Tie Break

Where it is necessary to distinguish between children who fulfil equal criteria, the proximity of the child's home, as measured by the shortest safe available walking route from the front door of the home to the main school gate will be applied, with those living nearer being accorded the higher priority. The school uses Cardiff Council's Geographic Information System (GIS) to calculate home to school distance in miles to the nearest 2 decimal places.

Waiting Lists

Children not offered a place will be placed on a waiting list. The order of priority on the waiting list is the same as the list of criteria for over-subscription. No account is taken of the length of time on a waiting list. The waiting list will be maintained until 30 September each year. After this date, parents should make another application for their child to attend the school.

Explanatory Notes

Note 1: A parent is any person who has parental responsibility for, or is the legal guardian of, the child. If you are in any doubt, please contact the school for advice.

Note 2: Children who are looked after (CLA) is a descriptor applied to any child who is looked after by a local authority in Wales or in England in accordance with Section 22 of the Children Act 1989 and whom the local authority has confirmed will be looked after at the time of the child's admission to the school.

Note 3: Sibling refers to brother or sister, half-brother or sister, adopted brother or sister, step brother or sister, foster child, or the child of the parent/carer's partner where the child for whom the school place is sought.

Note 4: Regular attendance/taking part in worship/Sunday school is defined as on average once a month over the previous 12-month period. Evidence of this must be provided by a written statement signed by the relevant priest/minister/pastor/faith leader.

Note 5: The home address is the place the child spends the majority of the school week (Monday to Friday, including nights), at the time of application, for a place at the school. The school reserves the right to check the validity of any address given, by asking for evidence such as inclusion on the electoral roll, or a recent utilities bill confirming your name and address.

➤ Where a child's permanent address is not the same as the parents' (e.g. if he or she is resident with a grandparent) the school reserves the right to see official documentation, such as a child benefit book or medical card.

➤ Childcare arrangements are not sufficient reason for listing another address.

➤ If you are moving into the catchment area, we will ask you for evidence of your move, before considering any application for a place. Typical evidence is a letter from your solicitor confirming that you have exchanged contracts to buy the house, or a formal lease agreement.

Christ the King Primary Admission Policy 2023/2024

Christ the King Primary School is a Voluntary Aided School and as such the Governors are the Admitting Body.

Children are admitted into Reception class in the September of the academic year in which they are five. Parents / Guardians are advised to apply for a place during the Autumn term prior to the academic year of entry before the closing date advised in the LA Admission to Schools information.

Parents applying for a place in Reception year at the school MUST express a preference for a place in the school on the Council's School Admission Portal at www.cardiff.gov.uk and ALSO complete the school's application form which can be requested from the school by contacting Mrs R Condon or downloaded from the school website www.christthekingcathprm.co.uk.

Parents / Guardians will be notified of the result of their application in writing by the Governing body on the offer date of Monday 17th April 2023, unless you have been offered one of your higher preferences through the coordinated admissions process.

Parents /Guardians have the right to express a preference for a school. Where the school has more requests for spaces than available places admission will be decided using the Over-subscription Criteria, category 1 being the highest criterion.

The Governors do not usually exceed the school's admission number or breach the limitations imposed by statutory maximum class size (30) and will admit up to the school's class admission number of 30.

In the case of multiple birth children, if when applying the over-subscription criteria the last child to be admitted is one of a multiple birth then the governors will admit the other child/ children

Where the school is named in a Statement of Special Educational Needs or IDP the child will be given priority in admission for entry into the school provided written proof is submitted with the application form.

A child who is now, or has been in the past, in the care of the Local Authority [as defined by Section 22 of the Children Act 1989] will be given priority for entry into the school in the category into which they fall [Baptised/Non Baptised]. Proof must be provided with the application.

Only applications received by the published closing date for receipt of application forms will be considered in the initial round of allocation of places. All application forms received by this deadline will be considered at one time and, subject to sufficient applications, places up to the admission number will be allocated. The applications will be ranked according to the over-subscription criteria and using the distance tie-breaker within each category. Failure to provide the requested proof documents before the closing date may affect the category into which a child may be placed and considered in the initial round. Forms received after the published closing date will be considered as late applications.

Late applications will be considered at the second or subsequent rounds when all applicants will be ranked according to over-subscription criteria and the distance tie-breaker and any remaining places offered. The school will operate a waiting list. Where a place has been refused a parent / guardian will be asked if they wish their child to go on the waiting list. This list will operate until the end of the academic year of the year of application. A parent / guardian may apply for their child to go back on the waiting list for the following year by contacting the school. The position on the waiting list may change, up or down, throughout the year when the over-subscription criteria and distance tie breaker are applied.

Governors will consider "in year applications" as soon as possible upon receipt and within 28 days. Any spaces up to the permitted class size will be filled using the school's over-subscription Criteria.

Admission Criteria

Children who have an Individual Development Plan (IDP) naming Christ the King School will be admitted into the school.

Over-subscription Criteria.

These criteria will be considered in order.

Category 1

Written proof must be provided.

Category 2

Where there are insufficient places at the school for all pupils within a particular category, the Governing Body may determine to accept some such children in such category up to the Published Admission Number after the application of a proximity test and where the applicant(s) closest to the school may be offered a place.

Parish Residency applies to pupils who are resident within the Parish on the closing date for receipt of applications. Evidence of permanent residence of the pupil must be supplied with the application form. The home address is as defined in the Local Authority Admissions to Schools document. The school gives priority to children living nearest to the school as measured by the shortest practicable walking route which is publicly accessible and available 24 hours/day. The route is calculated using the GIS system used by the Local Authority to ensure consistency. (see Local Authority Admission Policy)

Where applications are made from a family for more than one sibling in more than one year group and there are insufficient places at the school for all the siblings the governors are able to offer a place as long as that by accepting the place for one child the parents /guardians do so in the full knowledge and understanding that this will not assist their appeal for a sibling. In addition, the appeal panel will be informed and will be well aware that this was clearly understood.

A sibling is as defined in the Local Authority School Admission Policy Document.

The governing body give priority to children living nearest the school as measured by the safest walking route and will ask the Council to calculate this. The Council uses a Geographical Information System (GIS) to calculate home to school distances in miles. The safest walking route is calculated using Ordnance Survey (OS) customised route data from an applicant's home address to the nearest open school gate. The co-ordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) AND OS Address Point Data. Cardiff Council has developed a computerised walking route network based on the Local Authority Road Safety Officers Association (LARSOA) criteria and this is used to ensure that every pupil is assessed as consistently as possible.

Requirements

Proof of baptism will be required for categories 2-5. Evidence of permanent residence of the child at time of application must be supplied if required. This needs to be a current Council Tax form with the correct postal address. The home address is considered to be the child's along with the parent's main and genuine principal place of residence on the published date i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than guardianship) the friends or relatives address will not be considered for allocation purposes.

Waiting Lists

Where a place has been refused, the applicant will be placed on a waiting list for that academic year and when a place becomes available it will be allocated by the application of oversubscription criteria not length of time on the waiting list.

Right of Appeal

Where a child is refused entry to school, the Governing Body will write to the parents giving full details why the application was refused in light of the published criteria. Parents have the right of appeal against the decision to refuse an application. Parents wishing to appeal must contact the school for details of the appeal process and an appeal form which must be returned to the school within 10 working days of the receipt of the decision letter. The appeal will be heard by an independent appeal panel. The decision of the appeal panel will be

made in accordance with the Schools Admissions Code on admission appeals and is binding on all parties.

Applications received outside the normal admission round 'in year admissions' when there is not a place available in that Year group will remain on the waiting list until the end of the year in which the application is made. After this time parents will be expected to make a further application for admission to the school. The oversubscription criteria will be applied.

Llandaff City Church In Wales Primary School

Admission policy 2023/2024

1. The law requires the Governing Body to publish its arrangements for the admissions of pupils to the Llandaff City Church in Wales Primary School ("the School"). The Standard Number for the School is 60 pupils in each year.
2. The aim of this policy is to set out the criteria in accordance with which the School will decide applications for admission for both Reception intake and applications outside the normal admissions round. The Governing Body will be responsible for the implementation of this Policy.
3. During the Autumn Term 2022, application forms will be sent to parents who have recorded their child's details in our Registration Book for entry in 2023/24 and have not already completed an application form. All completed forms must be returned to the School by 12 noon on Monday 9th January 2023. All applications received after that date shall be considered as late applications. It shall be for the Admissions Authority to decide whether or not to accept a late application for consideration. Its reasons for doing so shall be recorded clearly on the application. If accepted for consideration, the application shall be decided in accordance with the Policy and the School's internal procedures and where applicable, its oversubscription criteria.
4. Where there are 60 or fewer applications, all applicants will be allocated a place. Where there are more applications received than places available, governors will offer places using the oversubscription criteria in the order stated.
5. Where the Governing Body is unable to offer a place for all children within any category because the admission number would be exceeded, places will be allocated to those applicants who fall within any one of the categories listed in the following priority:
 - (i) Children who have a sibling (see note 2) attending the School at the time they would be admitted were their application to be successful. Therefore a child with a sibling will be prioritised in the category the applicant has been allocated to.
 - (ii) Proximity of the parent(s)/carer(s) home address to the school will be used for each criteria (after sibling priority) where the number of applications exceeds the limit of places. Proximity is measured by calculating the shortest walking distance from the School postcode to the home postcode as measured by the Local Authority. The Local Authority will use

either the School's main postcode (CF5 2HT) or the Cardiff Road pedestrian entrance (CF5 2DU) based on which School entrance is closest to the home address. For the purposes of this exercise, the 'home address' for children whose parents do not live at the same address is the address where the child will spend the majority of the school week during term time.

6. Applications for any year group, at any time in the year will be considered by the Governing Body in accordance with the School's Policy and oversubscription criteria:-

The oversubscription criteria are

1. A child who is looked after, or previously looked after (see note 1);
2. A child who attends a service at Llandaff Cathedral, on a weekly/fortnightly basis and has done so for at least the past two years;

In accordance with the requirements of the School Standards and Framework Act 1998, the governors have established an appeals procedure. Parents(s)/carer(s) of a child who has not been admitted to the school may appeal against the decision. ADMISSIONS POLICY AND GUIDANCE FOR 2023/24

St Davids Church in Wales Primary School is a voluntary aided co-educational day school and one of its foremost aims is to provide a Christian education in accordance with the teachings of the Church in Wales. Placements in the school are awarded at the discretion of the Governing Body who review their admissions policy annually.

The planned admission number is the number of pupils that the Governing Body will admit to a year group in the school. The planned admission number for this school is 30. In addition there are 54 part-time places in the Nursery.

Children are admitted into the school in the autumn term of the academic year in which they turn five. Nursery places are awarded in the autumn term of the academic year in which they turn four. (The academic year runs from 1st September to 31st August.)

Applications for Nursery places should be submitted directly to the school in line with the Local Authority admission dates which are agreed and published annually. These dates are available on our school website.

As in all schools, children who are admitted to our nursery classes will not have an automatic right of admission to full time education (reception class) at our school.

Parents applying for a place in reception at the school, must express a preference for a place at the school via the council's school's admissions portal at www.cardiff.gov.uk by the deadline set by the Local Authority.

Support from parish priests and ministers will be sought by the school and the Admissions panel of the Governing Body will meet if there are more applications than places available.

Applicants will be notified of the result of their application in writing by the Governing Body on the offer date of, Monday 17th April 2023, unless you have been offered one of your higher preferences through the coordinated admission process.

Parents whose application to reception has been unsuccessful have the right to appeal. To exercise that right, the appeal must be made in writing to the Clerk to the Governors within 15 school days of receiving notification of an unsuccessful application. The appeal will be considered by an independent Admission Appeal Panel, administered by the Monmouth Diocesan Board of Education, according to the Welsh Assembly Government's Code of Practice on School Admission Appeals. There is no appeal procedure for applications to Nursery as this is non-statutory education.

Following the allocation of places, children whose application has been unsuccessful will be placed on a waiting list until the 30th September in the school year in which they apply. Thereafter, the parents should make a fresh application for admission directly with the school. If additional places become available while the waiting list is in operation, they must be allocated to children on the waiting list based on the published oversubscription criteria.

Waiting lists must not give priority to children based on the date the application was added to the list. For example, if a child moves to an area outside the normal admissions round and has higher priority under the oversubscription criteria, they must be ranked above those with lower priority already on the list. Parents who wish to discuss position on a waiting list can ring the school.

Applications for a place in any year group, at any time of year (e.g. families who have moved into the area) will be considered in the light of available places and placed on the waiting list as appropriate. The Governing Body has a duty to prioritise admission of children Looked After or previously Looked After by the Local Authority or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989). Priority will also be given to children with

a Statement of Special Educational Needs or note in lieu where the school has been named, including Children with enhanced nursery funding from the Case Advisory Panel at the date of application. Priority may be given to applications for children with a significant medical condition which can be supported by documentary evidence from a Medical Consultant or Social Worker.

All children whose parents wish them to attend the school will be admitted provided the number seeking admission does not exceed the places available.

In the event that the number of applications exceeds the school's standard number, the applications shall be determined in accordance with the following criteria. Places will be offered to those in Category 1, any remaining places to those in Category 2, then Category 3, 4, 5, 6, 7 and then finally to any other applicants in Category 8.

Where the Admissions Committee is unable to offer a place for all children within any category because the admission number would be exceeded, places will be allocated to those applicants who fall within any one of the categories listed in the following priority:

- Children who have a brother or sister (including step-brother/step-sister living in the same house) attending the school at the time, would be admitted were their application to be successful, followed by
- Those who live nearest to the school. Proximity is measured by calculating the shortest walking distance from the school postcode to the home postcode as measured by RAC Route Planner (Walking). The Admissions Committee will use the school's main postcode CF23 7ED. For the purposes of this exercise, the 'home address' for children whose parents do not live at the same address is the address where the child will spend the majority of the school week (i.e. at least 3 evenings/nights, Sunday to Thursday) during term time.

Applications for any year group, at any time in the year (e.g. families who have recently moved home) will be considered by the Admissions Committee in accordance with the School's Policy and oversubscription criteria.

Appeals against the School's decision not to admit a child should be sent to the Clerk of the Governors, c/o the school, within 15 school days of the date on the letter of refusal and will thereafter be considered by an Independent Appeal Committee.

N.B Nursery Education is not compulsory, and parents have no right of appeal, if their application for a Nursery place is unsuccessful.

Applicability of this policy:

New versions of this admissions and over-subscription policy shall be effective from 1st September 2023 (start of the new academic year) after formal adoption by the full Governing Body.

This is in order to ensure parents of applicant children have sufficient notice of the over-subscription policy when selecting a school.

The safest walking route is calculated using Ordnance Survey (OS) customised route data from an applicant's home address to the nearest open school gate. The co-ordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) AND OS Address Point Data. Cardiff Council has developed a computerised walking route network based on the Local Authority Road Safety Officers Association (LARSOA) criteria and this is used to ensure that every pupil is assessed as consistently as possible.

Children who are Looked After

A looked after child is a child who is looked after by a Local Authority (LA) in Wales or England in accordance with the Children Act 1989 and whom the LA has confirmed will be looked after at the time of child's admission to the school.

Definition of sibling

Children who have a sibling on roll at St Joseph's Catholic Primary School in the September the applicant would begin school. Any sibling connection must be stated on the application form. For admission

purposes a sibling is a child living at the same address who is the brother/sister, half brother/ sister (children who share one common parent), step brother/sister where two children are related in marriage. This definition also includes adopted or fostered children at the same address.

Multiple births

If, when applying the oversubscription criteria the last child to be admitted is one of multiple birth, the Governors will admit the other sibling(s).

Waiting Lists

Where a place has been refused, the applicant will be placed on a waiting list and when a place becomes available it will be allocated by the application of oversubscription criteria not length of time on the waiting list.

Right of Appeal

Where a child is refused entry to school, the Governing Body will write to the parents giving full details why the application was refused in light of the published criteria. Parents have the right of appeal against the decision to refuse an application. Parents wishing to appeal must contact the school for details of the appeal process and an appeal form which must be returned to the school within 10 working days of the receipt of the decision letter.

The appeal will be heard by an independent appeal panel. The decision of the appeal panel will be made in accordance with the Schools Admissions Code on admission appeals and is binding on all parties.

St. Mary's Catholic Primary School Admissions Policy 2023-24

Admissions Policy and Oversubscription Criteria
Indicated Admission number 30
School Capacity Number 272

St. Mary's Catholic Primary School is a voluntary aided Catholic School which operates in the Catholic Community of St. Mary's Parish, within the Archdiocese of Cardiff and Cardiff Council Local Authority.

We provide a Catholic education which permeates every aspect of school life at St. Mary's. All of our actions and decisions are made in line with our school Mission Statement:

"In Jesus' footsteps we learn, love and grow together to be the best that we can be."

It is essential that the Catholic nature of our school is fully supported by all families and it is expected that applicants desire a Catholic education for their child.

The Governing Body of St. Mary's Catholic Primary School will act in accordance with all relevant provisions of the statutory codes of practice (the Welsh Assembly Government School Admissions Code and the School Admissions Appeals Code of Practice 2013) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools.

Admissions to Nursery

Application forms for Nursery are available from the school or school web site. Applications can only be made by the person(s) who have parental responsibility and only one application can be submitted for each child.

Admissions to Reception

When applying to our Reception Class, parents should be aware that attending our Nursery Class does not guarantee a place in our Reception Class. A separate application is required and priority is not given to children who have attended our Nursery Class.

Parents applying for a place in Reception Year at the school must express a preference for a place at the school on the Council's School Admissions Portal at www.cardiff.gov.uk and also complete the school's application form. Application forms can be found on the school web site www.

stmarysprm.cardiff.sch.uk , emailing the school at stmarysprm@cardiff.gov.uk or by requesting a form by visiting the school office or telephoning on 029 20225680.

Applicants will be notified of the result of their application in writing by the Governing Body on the offer date of Monday 17 April 2023, unless you have been offered one of your higher preferences through the coordinated admissions process

The minimum age of entry to the Reception Class is 4 years provided that the child's 5th birthday falls between 1st September and 31st August of that academic year.

The indicated admission number for the school is 30. Where the number of applications is equal to or less than the number of places available, all applications will be successful. However, where the number of applications exceeds the number of places available, the Admissions Committee will apply the following over-subscription criteria and allocate places accordingly.

Where St. Mary's Catholic Primary School is named on a child's statement of educational need, the Admissions Committee has a duty to admit the child to the school before the over-subscription criteria is applied against applications received.

In each category below:

- Priority will be given firstly to applications made on medical needs (see Medical Grounds)
- Priority will next be given to the siblings of those pupils who will be registered at St Mary's Catholic Primary School at the time the child is to be admitted.

The Oversubscription Criteria are as follows:

1. Looked after Children (LAC - children in the public care) or previously Looked After Children who are baptised as Roman Catholics or have been formally accepted into the Roman Catholic Church.
2. Children who are baptised as Roman Catholics, or have been formally accepted into the Roman Catholic Church, who permanently reside in the catchment area*.
3. Children who are baptised as Roman Catholics, or have been formally accepted into the Roman Catholic Church, who do not permanently reside in the catchment area*.
4. Looked after children (LAC -children in the public care) or previously Looked After children who are not of the Roman Catholic Faith.
5. Children of other Christian denominations, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
6. Children of other Christian denominations, whose parents have demonstrated a wish for Catholic education, who do not permanently reside in the catchment area*.
7. Children of other Faith traditions, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
8. Children of other Faith traditions, whose parents have demonstrated a wish for Catholic education, who do not permanently reside in the catchment area*.
9. Other children, whose parents have demonstrated a wish for Catholic education, who permanently reside in the catchment area*.
10. Other children, whose parents have demonstrated a wish for Catholic education, who do not permanently reside in the catchment area*.

* Catchment area of St Mary's Catholic Primary School:

- Ely River, the eastern side of Western Avenue (A48) Ely Road and Cardiff Road.
- To roundabout (BBC) including Llandaff Village bounded by the River Taff to railway line parallel to Ninian Park Road.
- Both sides of Sloper Road to both sides of Bessemer Road and Hadfield Road to the River Ely.

In the event that the Admissions Committee is unable to allocate places to all the children in one particular category whose parents are practising Catholics or practising Christians, priority will then be based on those residing closest to St Mary's Catholic Primary School. For further information on how distances are measured, please refer to the paragraph entitled 'Home to School Distances' within the 'Relevant Information' section.

RELEVANT INFORMATION

Additional Documentation and Proof of Residency

1. It is the expectation that children are taught in their chronological year group, unless exceptional circumstances apply. For this reason, applications must be supported by a photocopy of your child's birth certificate.
2. The Admissions Committee also requires proof of residency in support of all applications, and for this purpose, parents / carers must submit a copy of their current Council Tax Statement in order to verify their home address. When processing applications, St Mary's Admission Committee will use the address at which you and your child reside on the relevant closing date for your application, and it is your responsibility to advise the Admissions Committee of any change in your circumstances following submission of your application. Such changes may have an effect on the outcome of your application.
3. If you have indicated that your child is a baptised Roman Catholic or has been received into the Roman Catholic Church, evidence is required to be submitted with the application. Evidence must include a photocopy of your child's Baptismal Certificate or completion of the Minister/Religious Leader's reference. If your child is currently preparing for the sacrament this must be confirmed by the parish priest in writing and will be equated to 'baptism'. If this confirmation is not received then your application will be considered under 'other children' (Cat 9 and 10). The Admissions Authority will consider the age that your child was baptised as a Roman Catholic with the youngest given the highest priority.

If you have indicated that your child is of another faith than Roman Catholic, evidence must be the completion of the Minister/Religious Leader's reference. If not, your application will be considered under 'other children' (Cat 9 and 10).

For Christian applicants a photocopy of your child's Baptismal Certificate should be provided unless the particular denomination favours adult baptism in which case completion of the Minister/Religious Leader's reference is required. If not, your application will be considered under 'other children' (Cat 9 and 10).

4. Where admission to the school is sought on medical need, then the application must be supported by a letter from the Consultant overseeing the care of the child. Letters from GP's or other health professionals will not suffice.

Allegations of fraudulent claims will be investigated and places may be withdrawn if parents have knowingly provided false information in order to obtain the advantage of a particular school to which they would not normally be entitled.

Applicants should note that for the purpose of processing applications for school places the information you provide on your application form may be shared with other agencies that are directly involved in the education, health and welfare of school children, including other local admission authorities.

Late Applications

Any applications received after the closing date, or applications that remain incomplete as at the closing date, will only be processed after places have been allocated for applications that were received by the closing date, and this may increase the possibility of not achieving a place at St Mary's Primary School. Any late applications will be batch filed and processed together at the end of the calendar month following receipt, once the offer date has passed. However, applications received after the published submission date will be considered with those received at the closing date only if supported by a letter giving exceptional reasons for its lateness and only if received before the offers of the places are made. Exceptional reasons may be defined as when circumstances include the serious illness of a single parent, having just moved into the area, or arriving from abroad has meant that it was not possible to submit the application by the closing date.

Allocating Places

Parents/carers have the right to express a preference for their child to be admitted to any school maintained from public funds. Making an application and providing the relevant supporting evidence does not guarantee admission to the preferred school. Each request will be considered individually and complied with wherever possible. If the number of applications received is at or below the school's indication admission number, all applications will be admitted. However, if more applications are received than the admission number, the admission request may have to be refused. In these circumstances, admission is based on the relevant school's published over-subscription criteria. The Admissions Committee will consider all applications made in accordance with the over-subscription criteria, without reference to race, gender, disability, social background, ability or aptitude of the child.

Headteachers do not have the authority to give parents an indication of the outcome of their application, or tell them that their child has been given a place at the school, before an offer of a place has been made formally by the Governing Body.

Deferred Entry

The law does not require a child to start school until the start of the term following the child's fifth birthday. In accordance with this, the Governing Body will allow parents the option of deferring their child's entry into Reception until later in the same school year. The effect is that the place is held for the child and is not available to be offered to another child. The parents would not, however, be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the school year for which the application was made.

Terms Used

• Home to School Distances

This distance is measured as the "shortest available walking route, accompanied as necessary" between the home and school. Cardiff Council uses a Geographical Information System (GIS) to calculate

home to school distances in miles to the nearest 2 decimal point. The shortest walking route is calculated using Ordnance Survey (OS) customised route data from an applicant's home address to the nearest open school gate.

• Children of UK Service Personnel and Crown Servants

The address of UK service Personnel will be accepted if their application form is accompanied by an official Ministry of Defence (MoD) letter declaring a definite return date and confirmation of the new address.

• Shared Parental Responsibility

Where parents have shared responsibility for a child, and the child lives with both parents for parts of the week the home address will be determined as the property where the child lives for the majority of the school week (i.e. 3 out of 5 days) as at the stipulated closing date for applications. Parents will be required to provide documentary evidence to support the address they wish to be considered for admission purposes.

• Medical Grounds

Written recommendations from a medical consultant (not a GP) must be provided giving detailed reasons for the pupil's admission to a particular school to be considered under this criterion. It is your responsibility to provide this information with your application by the closing date. Evidence after the closing date will not be considered until after the initial allocation of places.

• Siblings

For admission purposes a sibling is a child who is the brother/ sister, half-brother/ sister (children who share one common parent), Step brother/ step sister (where two children are related by virtue of their parents being married or co-habiting). This also includes adopted or fosters children living at the same address. A school will only consider siblings attending Years 1-6 during the 2022-23 school year.

• Multiple Births

If, when applying the oversubscription criteria, the last child to be admitted is one of multiple birth, the Admissions Committee will admit the other sibling(s)

Waiting lists

• Phase Transfer

During a phase transfer process, should your child be refused a placement at your preferred school(s), your child's name will remain on a waiting list until 30th September in the year in which the application is made. If additional places become available, they will be allocated to children on the waiting list on the basis of the published oversubscription criteria. Waiting lists do not give priority to children based on the date the application was added to the list. Prior to 30th September, parents will be contacted and asked to confirm whether or not they wish to remain on the waiting list for the remainder of the academic year, after which time a new application may be made.

• In-Year Admission or Transfer

Where an application made for an in-year transfer is refused, the child's name will remain on a waiting list until the end of the academic year at which time a new application may be made. If additional places become available, they will be allocated to children on the waiting list on the basis of the published oversubscription criteria. Waiting lists do not give priority to children based on the date the application was added to the list.

Some reasons why we may refuse admission

Whilst parents have the right to express a preference for their child to be admitted to any school maintained from public funds, there are reasons why that preference may have to be refused, since when determining applications, the Admission Committee also has to have regard for:

- The infant class size initiative which is committed to ensuring that no child aged 5, 6 or 7 years will be in a class of more than 30 pupils for every one qualified teacher. The statutory infant class size limit of 30 pupils applies to Reception, Year 1 and Year 2 classes.
- The physical limitations of the school and the site buildings which may result in a class size of fewer than 30 pupils.
- Any other factors which may prejudice the provision of efficient education and / or the efficient use of resources.

Class size exceptions

Welsh Government regulations require Governing Bodies to limit infant class sizes to no more than 30 pupils and also to ensure where possible

that junior class sizes do not exceed 30 pupils. There are, however, exceptions to these regulations (called 'excepted pupils') which may allow the 30 pupils per class limit to be exceeded. These pupils are as specifically outlined in the statutory School Admissions Code.

Excepted pupils will remain so, once admitted, for the remainder of their time in an infant class or until class numbers fall back and they can be organised to comply with the infant class size limit. Classes must be organised so as to comply with the limit wherever possible.

School Appeals

Parents have the statutory right of appeal against the refusal by a Governing Body to admit their child, and should put their reasons for appeal in writing in accordance with the procedures outlined in the decision letter.

Appeals will be heard by an Independent Appeal Panel, in which the Governing Body and Headteacher play no role. The decision of the Appeal Panel is binding on all parties.

St Mellons Voluntary Controlled Church in Wales School Policy for Admissions Academic Year 2023-24

Legislation –

Admission Number –

The Admission Number (AN) is the number up to which children should be admitted in a relevant age group eg Reception, if sufficient applications are received. Late applications should be made using a paper application available at a Hub or downloaded from www.cardiff.gov.uk/primaryadmissions. Applications received after the closing date will only be considered after all those received by the deadline have been considered. This means if no places are left after considering all the cases before the deadline, even if you fulfill a higher criterion than under which places have been offered to other applicants, you will be unsuccessful.

Parents have the right to appeal against a decision not to offer a place. At St Mellons Church in Wales Voluntary Controlled School, pupils are admitted to the Reception Year at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday.

Tie Break – distance criteria –

Where it is necessary to distinguish between two children who fulfill equal criteria the proximity of the child's home, as measured by the safest available walking route from the front door of the home to the main school gate will be used, with those living nearer being accorded the higher priority. In the event of necessity the method used to calculate the distance will be Google Maps.

Definition of regularity of worship –

Regular/habitual worship/Sunday School is defined as attending worship/Sunday School on at least one Sunday a month over the previous 12 month period. Evidence of this must be provided by a written statement signed by the relevant priest or minister.

No account is taken of the length of time on a waiting list. The waiting list will be maintained until 30 September 2024. After this date parents should make another application for their child to attend the school.

 - Where a child's permanent address is not the same as the parents (eg if he or she is resident with a grandparent) the school reserves the right to see official documentation such as a child benefit book or medical card.
 - Childcare arrangements are not sufficient reason for listing another address.
 - If you are moving into the area we will ask to see evidence of your move, before considering any application for a place. Typical evidence is a letter from your solicitor confirming that you have a legally binding arrangement to buy the house or a formal lease arrangement.

St. Monica's Church in Wales Primary School

Admissions Policy and Guidance for 2023 - 2024

St. Monica's Church in Wales Primary School is a Voluntary Aided Co-educational Primary School and one of its foremost aims is to provide a Christian education in accordance with the rites, ceremonies and doctrines of the Anglican faith as practised in the Church in Wales. Parents should be aware that the faith and doctrines of the Church in Wales are an integral part of the curriculum and as such these permeate throughout everything that we do at school. As a fully inclusive school, children of all faiths and none are very welcome to apply. Places in the school are awarded at the discretion of the Governing Body on an individual basis, who review their admissions policy annually.

The standard admission number is the number of pupils that the Governing Body will admit to a year group in the school. The standard number for this school is 20. The Governing Body has resolved that

this will be the maximum number admitted into a year group due to restrictions of space in the school, unless it included "excepted pupils"

as specified by Regulation. The total number of places in the school will not exceed 145 pupils.

Children are admitted to the school in the autumn term in the academic year in which they are five.

Application forms will be given to all who express an interest in the school. Completed forms must be returned in line with Cardiff Local Authority dates. The school will request references from religious leaders should the number of applicants exceed the places available, in such circumstances the Admissions Panel of the Governing Body will meet. Parents will be notified of the outcome in line with Cardiff Local Authority dates.

Parents whose application has been unsuccessful have the right to appeal. To exercise that right, the appeal must be made in writing to the Clerk to the Governing Body within 15 school days of receiving the letter refusing a place. The appeal will be considered by an independent Admission Appeal Panel, administered by the Llandaff Diocesan Board of Education, according to the Welsh Assembly Government's Code of Practice on School Admission Appeals.

All unsuccessful applications will be put on a waiting list. If additional places become available while the waiting list is in operation they will be allocated on the basis of the oversubscription criteria, and not based on the date the application was added to the list. The waiting list will remain in operation until 31 August 2024 or until the place is no longer required.

The Governing Body will give priority to applications for admission for “looked-after” children in the care of the Local Authority, or provided with accommodation by them (e.g. children with foster parents) (Section 22 of the Children Act 1989), where the school is named as the most appropriate educational setting.

Applications for a place in any year group, at any time of year will be considered in light of available places at the time the admissions panel meet.

If the number of applications exceeds the available pupil places, the Governing Body will admit children whose applications satisfy the over-subscription criteria in the following order:

1. Children who live in the Roath and Cathays Ministry Area and attend an Anglican church in the Roath and Cathays Ministry Area on the majority of Sundays and have been practising members of the Anglican Communion and whose long-term participation is substantiated by their vicar.
2. Children who live in the Roath and Cathays Ministry Area and attend an Anglican church in another Ministry Area on the majority of Sundays and have been practising members of the Anglican Communion and whose long-term participation is substantiated by their vicar.
3. Children who live in the Roath and Cathays Ministry Area and, with their parents, attend another Christian Church and whose long-term participation is substantiated by their Priest or Minister.
4. Children with siblings in the school at the date of enrolment and/or children whose applications are on medical or compassionate grounds. Such applications should be supported by external advice where appropriate.
5. Children who live within the Roath and Cathays Ministry Area of any faith whose long-term participation can be substantiated by a senior representative of that faith organisation, and whose families wish their child to be educated in a Church in Wales School.
6. Children who live outside the Roath and Cathays Ministry Area and, with their parents, attend another Christian Church and whose long-term participation is substantiated by their Priest or Minister.

7. Children who live within the Roath and Cathays Ministry Area of no faith and whose families wish their child to be educated in a Church in Wales School.
8. Children who live outside the Roath and Cathays Ministry Area of any faith whose long-term participation can be substantiated by a senior representative of that faith organisation, and whose families wish their child to be educated in a Church in Wales School.
9. Children who live outside the Roath and Cathays Ministry Area of no faith and whose families wish their child to be educated in a Church in Wales School. (NB within each stage, looked-after children will be given priority over other children.) The admissions policy applies to admissions in the academic year 2023-2024

Introduction

St. Peter's Roman Catholic Primary School will act in accordance with all relevant provisions of the statutory codes of practice (the Welsh Assembly Government School Admissions Code (July 2013) and the School Admission Appeals Code of Practice (December 2013) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools.

Reference in the codes to "admission authorities" shall be deemed to be references to the Voluntary Aided Governing Body of St. Peter's Roman Catholic Primary School. References to "the Local Authority" or "LA" shall be deemed to be references to Cardiff City Council. In particular, St Peter's Roman Catholic Primary School will have regard to the Archdiocese of Cardiff advice and will participate in the co-ordinated admission arrangements operated by Cardiff Local Authority.

In line with Cardiff City Council school admission policies application for admission to St. Peter's Roman Catholic Primary School will be made in line with parental preference.

The indicated admission numbers for schools is derived from the physical capacity of the school to accommodate pupils' learning needs, using a formula set out in the Welsh Government Circular 021/2011.

The Admissions Number is 60

In accordance with the provisions of the Government of Maintained Schools (Wales) Regulations 2005, the Governing Body has delegated responsibility for determining admissions to its 'Admissions Committee'. That Committee has a minimum of three governors of which one must be the head teacher. Accordingly, the Admissions Committee of St Peter's Roman Catholic Primary School Governing Body, will, if there are more applications than places available, admit according to the oversubscription criteria in the relevant age group.

St. Peter's R.C. Primary School has a Catholic ethos. The school is governed as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school or of no faith background to apply for and be considered for a place here. Indeed the School welcomes and encourages applications from all families.

Children can start school in the September following their 4th birthday. The legal requirements confirm that parents are able to delay the admission of their child until the term following their fifth birthday, and such a request will not prejudice an application in any way. It is the expectation however that on starting school the child will continue to follow their chronological year group unless exceptional circumstances apply.

When considering admission to the Reception year group, parents should be aware that attending a nursery class does not guarantee a place at any primary or infant school as a separate application is required, and priority is not given to those children attending any specific nursery setting.

Parents applying for a place in Reception year at the school must:

- express a preference for a place in the school on the Council's School Admission Portal at www.cardiff.gov.uk and also
- complete the school's application form.

Applications can be made online via the school's website and paper application forms will be available from the school from November 2022. All applications must be on the school's agreed application form. Applications can only be made by the person/s holding parental responsibility for the named applicant. The person completing the application will be required to make a declaration to this effect.

All applications should be returned to the school by the agreed closing date. It is the responsibility of parents/carers to ensure that the school receives their completed application form safely and on time. If posting an application, it is recommended that the form is sent by recorded delivery and that you provide a stamped address envelope so that receipt of your application can be acknowledged.

Applications received by the closing date will be considered by the Admissions Committee at the same time. Parents will be notified of the result of their application in writing by the Governing Body on the offer date of 17th April 2023 unless one of your higher preferences has been offered through the coordinated admissions procedure. Appeals will be heard from 4th May 2023.

The second priority in this category will be by reference to the youngest sibling in the school, the youngest commanding the highest degree of priority. Any sibling connection must be stated in the application. For admission purposes a sibling is a child who is the brother/sister, half-brother/sister (children who share one common parent), step brother/step sister where two children are related by marriage. This definition also includes adopted or fostered children living

At the same address. Twins triplets or quads will have the first consideration in the admission of any siblings.

Shared Parental Responsibility

Where parents have shared responsibility for a child, and the child lives with both parents for parts of the week the home address will be

determined as the property where the child lives for the majority of the school week (i.e. 3 out of 5 days) as at the stipulated closing date for applications. Parents will be required to provide documentary evidence to support the address they wish to be considered for admission purposes.

Additional Educational Needs: Schools cannot refuse a child with a statement of SEN even if by doing so they would exceed their admission number. Pupils with Statements of Additional/ Special Educational Needs where St Philip Evans RC Primary School is named on the Statement will automatically be admitted.

Tie Breaker

In the event of a tie breaker being required the governors will admit those applicants who live nearest to the school. The distance will be measured through the safest walking route from the front door of the reception entrance to the front door of the house or flat of the applicant. In the case of a child whose parents have joint shared responsibility the parent who has the greater responsibility during the school week and whose residence is nearer the school will be the determining factor. A letter from the parents will have to be provided to confirm that fact.

The council will use the Geographical Information System (GIS) to calculate home to school distances in miles. (This is the system applied to all maintained Schools in Cardiff) The shortest walking route is calculated using Ordnance Survey (OS) customised route data from an applicant's home address to the nearest open school gate. The co-ordinates of an applicant's home address are determined using the Local Land and Property Gazetteer (LLPG) AND OS Address Point Data. Cardiff Council has developed a computerised walking route network based on the Local Authority Road Safety Officers Association (LARSOA) criteria and this is used to ensure that every pupil is assessed as consistently as possible.

Late Applications

Following the first round of allocations, late applications will be considered in accordance with the published admissions criteria. Applications from the first round of allocations and any subsequent late applications will be considered together for any subsequent available places that may arise.

Looked after Children and children with SEN statements will be admitted.

Waiting List

A waiting List will be maintained. If an additional place becomes available, the governors will consider those on the waiting list on the basis of the published oversubscription criteria not on the date the application was received. If a place becomes available before an admissions appeals panel is heard, the governors will consider those on the waiting list according to the oversubscription criteria. If the governors place an applicant on a waiting list, it will not affect the parent's right of appeal.

Applications must be made by means of a completed application form and returned to St Philip Evans RC Primary School, the admitting Authority by

The Governing Body Admissions Panel will meet to determine Admissions and if required apply the oversubscription criteria.

Parents will be notified by:

Parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of St Philip Evans RC Primary School. The Appeal Panel will be independent of the school. The arrangements for Appeals will be in line with the Code of Practice on School Admission Appeals published by the Welsh Assembly Government in July 2009. The determination of the

appeal panel will be made in accordance with the Code of Practice on School Admission Appeals and is binding on all parties.

Appeals will be dealt with within thirty school days

Late applications will be considered and applicants notified within 15 school days if a place is available.

A waiting list will be maintained until September 30th in the school year in which the applicants applied. Should places become available then the places will be allocated based on the oversubscription criteria. The school will notify the parents of where their child has been on the waiting list.

The school will notify the parent if a place has been allocated. If the applicant is rejected the parent will be notified and given the following information

- Number of applications received
- Number available
- oversubscription criteria
- right of appeal
- process for that appeal
- deadline for response
- reason for rejection

Details of the procedure to be followed if an appeal against any decision of the Governors on admission is contemplated may be obtained from the Admissions Appeal Committee c/o Clerk to the Governing Body at the school

St Philip Evans Catholic Primary School Appeals Process Information Notes to parents who appeal against a decision of the Governing Body not to admit an applicant.

St Philip Evans RC School Governing Body is the Admission Authority and is required to make arrangements for the hearing of appeals against decisions not to offer a place to a child at the school

Admission Appeals

Parents have a right to appeal in the event that their application for a place is unsuccessful. Appeals must be lodged with the Clerk to the Appeal Panel by Appeals will be heard within thirty school days.

Late Appeals

Where an appeal is submitted after the specified date it will normally only be considered where the parent can demonstrate that there was a reasonable cause for the appeal not to be made on time. The Clerk will write to the parents advising them whether a late appeal is to be heard in the light of the circumstances described by the parents.

Appeal Panel

St Philip Evans Catholic School Governing Body is the Admission Authority and is required to make arrangements for the hearing of appeals against decisions not to offer a place to a child at the school. Admission appeals are heard by an independent Appeal Panel of at least three members, established by the school according to the Admissions Appeals Code of Practice regulations

At least one member of the Panel is a lay member; that is, someone without personal experience in the management of any school or the provision of education in any school. At least one member has experience in education; that is, someone who is acquainted with educational conditions in the area or who is a parent of a registered pupil at a school. One member acts as Chair of the Panel.

No one may be a member of the Appeal Panel if they were party to the decision not to admit the child about whom the appeal is concerned, or took part in any discussions about how the decision was reached.

Parents should not attempt to discuss matters relating to their appeal with any member of the Appeal Panel prior to the meeting.

The Powers of the Appeal Panel

The Appeal Panel's decision is binding on the Admission Authority. If the Panel upholds the appeal presented by the parents, the child must be admitted to the School. Once an Appeal Panel has considered an appeal, it is not required to hear a second appeal in respect of the same child for admission to the school in the same academic year.

The Public Services Ombudsman can investigate written complaints about maladministration on the part of an admission Appeal panel. It will cover such issues as failure to act independently or fairly but it does not include an issue where a person simply feels that the decision was wrong.

An Appeal Panel decision can only be overturned by the Courts, where the parents or Admission Authority are successful in applying for Judicial Review of that decision.

The Appeal Panel cannot hear complaints or objections on the wider aspects of admission policies and practice. The Appeal Panel cannot change the oversubscription criteria of St Philip Evans Catholic Primary School. Therefore, the Panel is unlikely to uphold an appeal where the school has applied the oversubscription criteria in a reasonable fashion. St Philip Evans Catholic Primary School's oversubscription criteria is attached as an Annex to this note

Action prior to the Appeal Panel meeting

Parents have the right to attend the Appeal Panel meeting and to present their appeal orally to the Panel. However, in addition, parents may provide their appeal in writing with any supporting evidence to the Clerk to the Appeal Panel prior to the meeting. Written material received seven days before the date of the appeal meeting will be sent to the Appeal Panel members prior to the meeting so that they can study the material in advance. St Philip Evans Catholic Primary School may also present its representations and evidence to the Clerk to the Appeal Panel at least seven days before the date of the appeal meeting so that they may be read in advance by the Appeal Panel members

Any materials presented by St Philip Evans Catholic School Governing Body will be sent in advance to the parents and any materials presented by the parents will be sent in advance to School's representatives. The basic principle followed is that all information presented to the Clerk as part of the appeals process is available to all parties to the appeal.

Notice of the Appeal

Parents will receive written notice at least 14 days before the date their appeal will be heard unless the parent agrees to a shorter notice period.

Representation

Parents are encouraged to attend the Appeal Panel meeting in person and to make oral representations, that is, to clarify or supplement their written appeal. The parent may be accompanied by a friend, adviser or be represented. Parents may also bring an interpreter. In all circumstances where the parents bring along someone else, the

parents should advise the Clerk at least 3 working days prior to the meeting of the name of the other person attending and the capacity in which they are attending.

The Appeal Panel meeting

The Appeal Panel hearing is in two parts. Firstly, a representative from St Philip Evans RC School Governing Body Admissions Committee (Presenting Officer) presents the case that to admit any more pupils would prejudice the provision of efficient education or use of resources. This part of the hearing may involve a number of parents together. The parents are given the opportunity to question the Presenting Officer. Secondly, the parents are given the opportunity to present to the Appeal Panel individually (without other parents present). The Chair of the Appeal Panel ensures that the stages of the second part of the meeting take the following order:

- A. The parents present their case to the Panel.
- B. The Presenting Officer is given the opportunity to question the parents.
- C. The Presenting Officer sums up the Admission Authority's case.
- D. The parents sum up their case.

The Appeal Panel members may ask questions at any time if they require clarification of what is being said or if they need information in order to reach a decision.

After the Appeal Panel meeting

The Clerk to the Panel will normally send the written decision of the Appeal Panel to the parents within seven days of the meeting. Reasons for the decision made should be stated.

Non-attendance at the Appeal Panel hearing if the parents provide the Appeals Administrator or Clerk to the Panel with their telephone number, the Appeals Administrator/Clerk to the Panel will inform the parent of the date and time of the Appeal Panel hearing both by letter and by telephone.

If through unforeseeable circumstances, the parents are unable to attend the hearing on the day, they must telephone the Appeals Administrator/Clerk to the panel or school immediately and give the reason for the non-attendance. The parents will be asked if they want the appeal to go ahead in their absence. If they wish to seek another appointment, the matter will be referred to the Chairman of the Appeal Panel who will decide, based on the parents' reason for non-attendance, whether to hear the appeal in the absence of the parents or defer consideration to a subsequent hearing. Where parents fail to attend on two occasions, the Appeal Panel will consider the appeal in the absence of the parents.

Further information

Any queries about the appeals process should be made to the Appeals Administrator/Clerk to the Panel. All correspondence should be addressed to Clerk to the Appeal Panel.

Tredegaville Church in Wales Primary School

Admissions Policy and Guidance

Tredegaville Church in Wales Primary School is a voluntary aided school and accordingly admission to our school is decided by the school Governing Body. Our school is a Church in Wales school where we try and live out the Christian values that underpin all aspects of school life.

The admission number for our school is 30. In addition, there are 48 part-time places in our nursery.

Children are admitted to our school in the Autumn Term in the year they are five. Children are entitled to a part-time nursery place from the start of the term following their third birthday and children are admitted on this basis where there is capacity.

Receiving a nursery place in our school does not guarantee a place in the main school as there is a second, and separate admissions process for this, as in all schools.

Parents whose application to the Reception class has been unsuccessful have the right to appeal. To make an appeal parents must complete an appeal form and send it to the Chair of Governors within 15 days of receiving notification of an unsuccessful application. The appeal will be considered by an independent panel administered by the Llandaff Diocesan Board of Education. There is no appeal process for nursery applications as this is non-statutory education. Following allocation of places, children who have been unsuccessful will be placed on our waiting list.

For the rest of the year if places become available they are allocated on the basis of the published over-subscription criteria (see below). Waiting lists do not give priority to children based on the date the application was made. For example, if a child makes an application outside the normal admissions round, and has a higher priority using the criteria, they must be ranked above those with lower priority already on the list.

Religious Education and Collective Worship

Religious Education and worship take place within the school in accordance with the teaching and practice of the Church in Wales. As a Church in Wales primary school Christian values underpin the whole curriculum and we encourage everyone to be involved in Religious Education and Collective Worship. However, parents have the right to withdraw their children from RE and Collective Worship as defined in the Education Act 1944 and subsequent legislation. Parents who have concerns should discuss these with the Headteacher.

Admissions Criteria

The Governing Body has a duty to prioritise admissions of children who are looked after by the Local Authority (as defined by Section 22 of the Children Act 1989) or previously looked after children (as defined by the Welsh Government School Admissions Code). There is also a duty to prioritise the admission of children with a Statement of Special Educational Need or note in lieu where the school has been named, or children allocated nursery funding by the Early Years Assessment Panel or Case Advisory Panel.

Priority may also be given to children where there are compelling medical or social grounds as supported by documentary evidence from a medical consultant or social worker.

If the number of remaining applications exceeds the available pupil places, the Governing Body will admit children whose applications satisfy the over-subscription criteria in the following order:

1. Children residing in Cardiff who attend an Anglican Church as substantiated by a reference from a vicar/priest.
2. Children residing in Cardiff who attend a church of another Christian denomination, as substantiated by a reference from a vicar/priest.
3. Children who already have a brother or sister at the school and whose brother/sister will be a registered pupil when the new pupil is admitted (this includes full, half or step brothers/sisters, adopted or fostered who are living in the same house).
4. Children who live closest to the school, measured as the safest walking route, as advised by Cardiff Council. In the case of children living in flats, the route assessment is determined from the front entrance to each flat.

Definitions

1. The child's ordinary place of residence will be defined as the property at which the person or persons with parental responsibility for the child reside at the closing date for receiving application.
2. Where parental responsibility is held by more than one person, and where they reside at separate properties, the child's ordinary place of residence will be defined as the property at which the child resides for the greater part of the week, including weekends.
3. Within each admission's category priority is given to children of multiple births who meet the admissions criteria.

FAITH SCHOOLS – SECONDARY

The Bishop of Llandaff CiW High School Admissions and Oversubscription Policy

ADMISSIONS AND OVERSUBSCRIPTION POLICY (2023)

1. Introduction

- 1.1. The Bishop of Llandaff Church in Wales High School is a co-educational 11-18 school serving the city and surrounding areas of Cardiff. This includes parts of the west and north of the Diocese of Llandaff, such as the Vale of Glamorgan, Rhondda Cynon Taff, Caerphilly and Bridgend. The school aims to be truly comprehensive and the governing body takes no account of a child's academic standard or aptitude when considering admissions.
- 1.2. The school fully respects the beliefs of parent(s)/carer(s) and children from all Christian denominations, other faiths and those from no faith background. However, governors expect that parent(s)/carer(s) applying for a place for their child will accept and uphold the Christian character and ethos of the school.
- 1.3. An Open Evening is held early in October when interested families are invited to visit the school and meet the Headteacher and staff. A school prospectus and application form for admission are available at the Open Evening and/or at any other time from the school website.
- 1.4. Parent(s)/carer(s) and prospective students are also welcome to visit the school at any time. Students are admitted to all other year groups where places are available.

2. Procedure for Admission

- 2.1. The standard admissions number for the school is 180 in Year 7. As a faith school, 150 places are reserved as 'Foundation' (ie. those children who are considered at 'the heart of the Church'); while 30 places are reserved for children within the 'Community'.
- 2.2. To be considered for a place at The Bishop of Llandaff, parent(s)/carer(s) must complete the school's own application form and the local authority online form, as part of the coordinated admissions. Where a family wishes to be considered for a 'foundation' place, they will be expected to complete the relevant section. The school will independently seek references to verify faith commitment from the named priest/minister(s) (see note 4). Families who wish to apply for a 'community' place do not need to complete this section of the form. Where an application does not have a completed faith section, then the application will automatically be considered as a 'community' application. Applications cannot be modified once submitted.
- 2.3. The governors' admissions sub-committee meets in January of each year to consider all applications from parent(s)/carer(s) for places in Year 7 for the following September. Applications, including all references required under 2.2 must be received by the stated deadline. It is not the responsibility of school to ensure the references from the identified priest/minister(s) have been provided by the publicised deadline. Any application, which includes references to verify faith commitment, received beyond the agreed deadline, will be considered as late and will only be considered after applications received within the specified timeframe.
- 2.4. The Governing Body gives priority to siblings (see note 2) of statutory school age at The Bishop of Llandaff in each of the categories 2-10 to, wherever possible, prevent the separation of families.
Therefore, a child with a sibling will be prioritised in the category the applicant has been allocated to.

- 2.5. Proximity of the parent(s)/carer(s) home address to the school will be used for each criteria (after sibling priority as outlined in 2.5) where the number of applications exceeds the limit of places (see note 7).
- 2.6. Where there are 180 or fewer applications, all applicants will be allocated a place. Where there are more applications received than places available, governors will offer places using the oversubscription criteria in the order stated.
 - 2.6.1 The oversubscription criteria for the 150 'foundation' places are
 1. A child who is looked after, or previously looked after (see note 1);
 2. A child who is baptised, or of a baptised parent/carers, who attends a Church in Wales (see note 3) service on a weekly/fortnightly basis and has done so for, at least, the past five years;
 3. A child who is baptised or dedicated, or of a baptised or dedicated parent/carers, who attends a Christian denomination, other than the Church in Wales, service on a weekly/fortnightly basis and has done so for, at least, the past five years;
 4. A child who is baptised, or of a baptised parent/carers, who attends a Church in Wales service on a weekly/fortnightly basis and has done so for, at least, the past two years;
 5. A child who is baptised or dedicated, or of a baptised or dedicated parent/carers, who attends a Christian denomination, other than the Church in Wales, service on a weekly/fortnightly basis and has done so for, at least, the past two years;
 6. A child who is baptised, or of a baptised parent/carers, who attends a Church in Wales service on a monthly basis, or occasionally, and has done so for, at least, the past year;
 7. A child who is baptised or dedicated, or of a baptised or dedicated parent/carers, who attends a Christian denomination, other than the Church in Wales service on a monthly basis, or occasionally, and has done so for, at least, the past year;
 8. A child who attends a place of worship, other than Christian (see note 3), on a weekly/fortnightly basis and has done so for, at least, the past two years;
 9. A child who attends a place of worship, other than Christian, on a monthly basis, or occasionally, and has done so for, at least, the past year;
 10. A child who belongs to a faith community which does not meet any of the above criteria.
 - 2.6.2 The oversubscription criteria for the 30 'community' places are
 1. A child who is looked after, or previously looked after (see note 1);
 2. A child, who has a sibling of statutory school age at The Bishop of Llandaff, at the time of application;
 3. A child who attends a Church in Wales school;
 4. A child who attends a faith-based school, other than Church in Wales; and
 5. A child who attends a community school within the city of Cardiff who wishes to receive a faith-based education.
- 2.7. Where The Bishop of Llandaff CiW High School is named in a statement of special educational need, governors have a duty to admit the child to the school.
- 2.8. The school is part of the coordinated admissions process with the neighbouring local authorities and there is a requirement that applicants complete an online form, in addition, to the school's own form as part of the process. Parent(s)/carer(s) applying for a place in Year 7 at the school must express a preference for a place at the school on the Council's School Admissions Portal and also complete the school's application form, which can be accessed via www.bishopofllandaff.org/195/admissions. This form stores basic details which is used to support verification of the applicant's home address and supports the local authority in the management of applications to multiple schools (eg. The Bishop of Llandaff, another faith-based school and/or community schools). Failure to complete both forms, within the designated timeframe, will result in a place not being offered.

3. Appeals Procedure

In accordance with the requirements of the School Standards and Framework Act 1998, the governors have established an appeals procedure. Parent(s)/carer(s) of a child who has not been admitted to the school may appeal against the decision. The panel is appointed by the Diocese of Llandaff and is entirely independent of the school and the local authority. Notice of intention to appeal should be sent to the Admissions Officer at the school who will then inform the Diocesan Office for Education.

Appellants will then be contacted directly by the Diocesan Office with details of an appeal hearing.

4. Accuracy of Information

Please be aware that if parents/carers are found to have provided misleading or fraudulent information as part of the application, the offer of a place will be withdrawn and is likely to lead to the removal of a place after the child has started at the school.

Notes

1. Looked after children are children who are registered in the care of the local authority (under section 31 of the Children Act 1989) or who are provided with accommodation by the local authority (under section 20 of the Children Act 1989) at the time of application and/or where the local authority confirms they will be looked after at the time when the child is admitted to the school;
2. Sibling is defined as a biological brother or sister, half-brother or half-sister, adopted brother or sister, step-brother or step-sister

or foster children and who will still be on the school register (of statutory school age) at the time of admission. Evidence may be required to verify sibling status;

3. Christian denomination/Churches refers to those Christian denominations/Churches affiliated to Churches Together in Wales (Cytûn) or the Evangelical Alliance, as recognised at the point governors determine places (ie. January) of the year of admission. Where applicants have been resident outside of Wales during the church attendance period, reference to Church in Wales should include other members of the Anglican Communion; Cytûn should include churches/denominations affiliated to other national member bodies of the World Council of Churches; Evangelical Alliance should include churches/denominations affiliated to other national member bodies of the World Evangelical Alliance.
4. Faith commitment refers to worship attended on either Saturday or Sunday. Worship attended as part of a primary school experience and/or non-formal worship (eg. 'Messy Church') does not apply;
5. Community places are reference to a fixed number of places 'open' in each year to students who wish to receive an education at The Bishop of Llandaff. These are allocated using the oversubscription criteria as specified in 2.6.2. The term 'community' should not be understood as reference to any particular geographical location;
6. Proximity refers to the distance measured by calculating the miles from the school post code to the parent(s)/carer(s) home post code. The school use Google Maps to calculate home to school 'walking' distance in miles to the nearest decimal place.

St Teilo's Church In Wales High School Admissions And Oversubscription Policy

Introduction

1. St Teilo's Church in Wales High School is a comprehensive school which exists primarily to serve the needs of Church in Wales parents who wish their children to be educated within a system which introduces the pupil to an understanding of life based on the Christian faith as taught by the practices, rites and doctrines of the Church in Wales. St Teilo's and The Bishop of Llandaff Church in Wales schools both admit Year 7 pupils according to an admission limit agreed with the diocese and the LEA. The Bishop of Llandaff Church in Wales High School normally serves those who live in the area west of Caerphilly Road/North Road including Whitchurch, Gabalfa, Llandaff, Llandaff North, Tongwynlais, Penarth, Barry and beyond as well as the Docks. St Teilo's Church in Wales High School normally serves those who live in the area east of Caerphilly Road/North Road including Thornhill, Llanishen, Lisvane and beyond as well as Grangetown.
2. A booklet containing information to parents about the provision of Secondary Education in Cardiff County may be obtained from the Cardiff County LEA, Education Offices, Atlantic Wharf, Cardiff. A virtual school 'prospectus' containing detailed information about St Teilo's Church in Wales High School may be accessed on our website.
3. In addition, the school seeks to promote Christian education in the wider community. As a comprehensive school, the Governors admit children without reference to ability or aptitude. All children

whose parents wish them to attend this school, subject to the provision of the Education Acts, will be admitted provided the number seeking admission does not exceed the accommodation available, at this stage, 270 places. In accordance with statutory requirements, the Governors have a duty to admit, following proper application, Looked-After Children and children where the school is named in a Statement of Special Educational Needs in accordance with the published admissions criteria.

4. The Governors will admit up to 270 children to Year 7 next September; this will comprise 180 Foundation Places and 90 Open Places. This admission limit has been agreed in principle between the Governors and the Cardiff Local Education Authority and will apply when other statutory changes to school admissions are agreed and implemented. The Governors of aided schools are responsible for the admission arrangements but are required to consult the Local Education Authority before any changes are made.
5. All parents applying for admission do so knowing that the school aims to provide an education based on Christian principles and therefore the Governors expect all pupils to take part in the Christian worship of the school, to attend all religious education lessons and participate in all other educational activities.

Procedure for Admission

6. The standard admissions number for the school is 270 in Year 7. As a faith school, 180 places are reserved as 'Foundation' (ie those children who are considered at 'the heart of the Church'); while 90 places are reserved for children who do not qualify for a foundation place 'Open'.

7. To be considered for a place at St Teilo's Church in Wales High School, parent(s)/carer(s) must complete the school's own application form available on our website. As St Teilo's Church in Wales High School is part of a co-ordinated admission pilot with the Local Authority, parent(s)/carers MUST ALSO complete the local authority admission application form, naming up to five preferences (one of these being St Teilo's). Both applications must be completed before the deadline given.
8. Where a family wishes to be considered for a 'foundation' place, they will be expected to complete the relevant section on the application form. The school will independently seek references to verify faith commitment from the named faith leader. Families who wish to apply for an 'Open' place do not need to complete this section of the form. Applications cannot be modified once submitted. If you submit multiple applications for the same child, only the latest application (submitted before the deadline) will be considered. All previous applications will be disregarded.
9. The Governors' admissions sub-committee meets in January of each year to consider all applications from parent(s)/Carer(s) for places in Year 7 for the following September. Applications should be received by the stated admissions deadline. Any application received beyond the agreed deadline will be considered as late and will only be considered after applications received within the specified timeframe. All faith references must be received by the school before the sub-committee meet in January. If any references are received after this date, the application and the supporting reference will only be taken into account in the next round of admissions.
10. Proximity of the parent(s)/carer(s) home address to the school will be used for each criteria where the number of applications exceeds the limit of places.
11. Where there are 270 or fewer applications, all applicants will be allocated a place. Where there are more applications received than places available, Governors will offer places using the oversubscription criteria in the order stated.
12. The Governors will offer 180 Foundation Places each academic year. In the event of over-subscription, places will be offered in accordance with the categories detailed below. Within each category first priority will be given to:
 1. Those who fully satisfy the criterion, but also have a brother or sister already in attendance at the school (see note 1 below).
 2. Those who fully satisfy the criterion, and the proximity of the family home to the school (see note 2 below).

FOUNDATION PLACE ADMISSION CRITERIA

- A. Looked after Children, and children where the school is named in a statement of Special Educational Needs, whose family satisfy the requirements of a Foundation place (see note 3 below).
- B. Children who have been baptised and who attend a Church in Wales Primary School and whose families are active and practising* members of the Anglican Community.
- C. Children who have been baptised and attend any other Primary School whose families are active and practising* members of the Anglican Community.
- D. Children who attend a Church in Wales Primary School.

- E. Children whose families are active and practising* members of another mainstream denomination of the Christian faith.
- F. Children whose families are active and practising* members of another mainstream faith.

Foundation Places notes:

Foundation places will be allocated on the basis of the evidence provided on the Application Form by the family, and confirmed by the clergy/minister or faith leader, of the frequency of attendance and contribution to the life and work and witness of their church or place of worship. An application for a Foundation Place will not be considered complete until the reference is returned. The school will not pursue references which have not been returned. Applications cannot be modified once submitted.

In addition, in each category, consideration will be given to children of families who provide evidence at the time of application that the child has a particular education, social or medical need which can be met especially well within the caring Christian environment of St Teilo's School, and who are already in support from the church in meeting those needs. Places will be allocated based on evidence provided by the family in a personal statement and confirmed by the clergy/minister/church or faith leader and a professional consultant as appropriate.

*The determination of active and practising is made by reference to the answers to questions on the Application Form and the period of active worship is as significant as the frequency. As a minimum, it will be expected that attendance is at least monthly and for at least two years. Note that attendance at a place of worship by virtue of attendance at a Church in Wales Primary School does not satisfy the definition of 'active and practising'.

If there are fewer than 180 qualified applicants for Foundation Places any unfilled places will become additional Open Places.

Notes:

1. Sibling is defined as a biological brother/sister, a half-brother/sister, a step-brother/sister, an adopted and/or fostered brother/sister. In the case of multiple birth children, the Governing Body will seek to ensure that all children are admitted to avoid family separation.
2. Proximity refers to the distance measured by calculating the miles from the school to the parent/carer home address. The school uses Cardiff Council's Geographic Information System (GIS) to calculate home to school distance in miles to the nearest 2 decimal places.
3. Looked After Children are children who are looked after by the local authority (as defined by Section 22 of the Children Act 1989) or previously looked after children (as defined by the Welsh Government School Admissions Code document no.005/2-13).

The Governors have designated 90 places each year as Open Places to be offered to children who do not qualify for Foundation Places, but whose parents have chosen the school for the type of education it provides. In the event of over-subscription, places will be offered in accordance with the categories below. Within those categories the proximity of the family home to the school will (where necessary) be used to determine the allocation (see note 1 below).

OPEN PLACE ADMISSION CRITERIA

- A. Looked-after Children, and children where the school is named in a statement of Special Educational Needs, whose family do not satisfy the criteria for admission to a Foundation Place (see note 2 below).

- B. Children who have a brother or sister in the school whose family do not satisfy the criteria for admission to a Foundation Place (see note 3 below).
- C. Children who attend - and whose family home lies within the catchment areas of - Bryn Celyn, Glyncoed, Llanedeyrn and Springwood Primary Schools, whose family do not satisfy the criteria for admission to a Foundation Place.
- D. Any other children whose families do not satisfy the criteria for admission to a Foundation Place.

Open Place Notes:

In each category consideration will be given to children of families who provide professional evidence at the time of application that the child has a particular educational, social or medical need which can be met especially well within the caring Christian environment of St Teilo’s High School. Places will be allocated based on evidence provided by the family in a written statement at the time of application from a medical professional, social worker or educational psychologist which explains (a) what specific difficulties the child has (b) why St Teilo’s is considered to be the most suitable school and (c) the difficulties that would be caused by attending another school.

Notes:

1. Proximity refers to the distance measured by calculating the miles from the school to the parent/carer home address. The school uses Cardiff Council’s Geographic Information System (GIS) to calculate home to school distance in miles to the nearest 2 decimal places.
2. Looked After Children are children who are looked after by the local authority (as defined by Section 22 of the Children Act 1989) or previously looked after children (as defined by the Welsh Government School Admissions Code document no.005/2-13).

3. Sibling is defined as a biological brother/sister, a half-brother/sister, a step-brother/sister, an adopted and/or fostered brother/sister. In the case of multiple birth children, the Governing Body will seek to ensure that all children are admitted to avoid family separation.

Appeals Procedure

13. In accordance with the requirements of the School Standards and Framework Act 1998, the Governors have established an appeals procedure. Parent(s)/Carer(s) of a child who has not been admitted to the school may appeal against the decision. The panel is appointed by the Diocese of Llandaff and is entirely independent of the school and the local authority. Notice of intention to appeal should be sent to the Admissions Officer at the school by the deadline given, who will then inform the Diocesan Office for Education. Appellants will then be contacted directly with details of an appeal hearing.
14. The school operates a waiting ‘pool’ and, if your application is unsuccessful, you will be offered the opportunity to have your child’s name placed in this ‘pool’. Should places become available, they will be offered by the Admission Panel according to the admission criteria.
15. Reapplication following refusal of a place and an unsuccessful appeal is not permitted and would not be considered.
16. Please be aware that if parent(s)/carer(s) are found to have provided misleading or fraudulent information as part of the application, the offer of a place will be withdrawn and is likely to lead to the removal of a place after the child has started at the school.

**Corpus Christi Catholic High School
Admissions Policy 2023
Approved By Governors : 23rd March 2022**

INTRODUCTION

This Policy refers to admissions in September 2023 to Corpus Christi Catholic High School which is a voluntary-aided school founded by the Archdiocese of Cardiff. The Governing Body has sole responsibility for admissions to the School and must admit pupils to the school’s admission number, which is 215.

Key Principles

Only the governing body may admit and no representation made by any person including a governor, staff member, clergy or anyone elected to or employed by the local authority can be regarded as an indication of offer or promise of a place. Only a written offer from the governing body can be accepted as an admission offer.

The School Standards and Framework Act 1998 gives parents the right to express a preference as to which school their children attend. Admissions to the School will be made in accordance with parental choice subject to available places. When there are more than 215 applicants, admissions will be made in accordance with the order of priority in the over-subscription criteria and the procedure listed below.

This policy has regard and follows the Welsh Government Admissions Code 005/2013.

ADMISSIONS CRITERIA

Oversubscription Criteria Order of Priority

Children will be admitted in accordance with the following priority. Qualification within a category is determined at the time the application is considered by the governors or, in the event of an appeal, at the date of the appeal determination. If the governors are unable to admit all applicants within a particular category, priority will be given to those residing closest to the school measured by Cardiff Council using the method set out in the Cardiff Council School Admissions Policy.

1. Looked after or previously looked after children.
2. Baptised Catholic children (a) residing in the catchment area and (b) attending a designated Catholic Primary School.
3. Brothers or sisters of pupils already in the school at the time of determination and who will be pupils at the time the applicant commences at the school.
4. Baptised Catholic children (a) residing in the catchment area and (b) attending a non-designated Catholic Primary School.
5. Baptised Catholic children residing in the catchment area.
6. Other Baptised Catholic children.
7. Children (a) residing in the catchment area and (b) attending a designated Catholic Primary School.
8. Children (a) residing in the catchment area and (b) attending a non-designated Catholic Primary School.
9. Children residing in the catchment area who can demonstrate with a letter of support from a minister or person in authority, that particularly in the previous year, they have actively engaged in supporting a Christian denomination.
10. Children residing in the catchment area who can demonstrate with a letter of support by a person in authority, that particularly in the previous year, they have actively engaged in supporting a non-Christian faith.
11. Other children residing in the catchment area.
12. Other children who wish to receive a faith education at Corpus Christi Catholic High School

For categories 2, 4, 5 and 6 the applicant must be a Baptised Catholic. For categories 1, 3, 7, 8, 9, 10, 11 and 12 a child is not required to be a Baptised Catholic.

Children subject to a funded Individual Development Plan (IDP) which names Corpus Christi Catholic High School as the designated school will be admitted

Brothers and sisters include children with at least one common parent [including adopted children]. Children of multiple births will all be admitted to a single year if one can be offered a place.

Proof that a child is Baptised Catholic is required with every application.

A copy of the baptismal certificate is proof [and required unless not available for good reason when other evidence must be submitted].

Proof of the residential address of the child at the time of application is also required.

Waiting List

All applicants who have not been admitted will have their application, whenever made during the relevant year, retained on a waiting list. Applicants will be placed in order on the list according to the over subscription priorities of the Admissions Policy.

Applications for Year 7 will be retained on the waiting list until the 31st December following receipt of the application. In-year applications, whenever made during the relevant year, will be retained on the waiting list until 31st August following receipt of application.

If a place becomes available it will be allocated to the applicant then highest on the waiting list unless a place has been offered to an applicant higher on the list but has not been accepted within the required period. Failure to respond for any reason will be treated as a rejection and the place will go to the next applicant on the list who accepts as required.

After 31st December (Year 7 applications) or 31st August (in-year applications) the waiting list will be abandoned and all applicants on the waiting list will be treated as not having applied. Any future place which becomes available will be allocated to the next applicant for a place or, if more than one, by reference to the published criteria. Applicants must appreciate that the waiting list order of priority will alter as more applicants apply and circumstances change. If any applicant informs the governors in writing of any relevant material change of circumstances this will be considered by the governors and the position on the waiting list may be altered accordingly

Further Procedures

1. The decision to offer a place to an applicant is entirely that of the governing body (subject to appeal).
2. The deadlines for the determination and communication of admissions have been decided after consultation with the Local Authority and in accordance with Welsh Government guidelines. The dates for 2023 are:
Admissions applications open: Monday 26th September 2022
Closing date for submission of applications: Monday 21st November 2022
Notification of offers: Wednesday 1st March 2023
Date for acceptance or rejection of school offers: Wednesday 15th March 2023
Closing date for receipt of statutory appeals: Wednesday 29th March 2023
3. For Year 7 applications in the normal admission round, two applications must be completed – a Local Authority (LA) online application and a Corpus Christi Catholic High online application.
 - a. The LA application must be submitted via the Council's Online Application Service (refer to Cardiff Council School Admission Booklet).
 - b. The Corpus Christi Catholic High School online application is submitted via the school's website.

For Year 7 applications outside the normal admission round and all other in-year applications, only the Corpus Christi Catholic High School application is required. Parents/carers should contact the school to request an application form.

4. Completed application forms must be received by the school and the LA on or before the specified date.
5. Information must be correct and accurate at the point of application. Default may result in a place offered being withdrawn in accordance with the Admissions code paras.3.40-3.41.
6. Applicants will be notified of the result of the application in writing by the governors on the date specified in paragraph 2 above. In the event of an application for admission being refused, the parent/carer has a right to exercise their right of appeal. Detail of the procedure will be given with every refusal. An applicant's name will remain on the waiting list notwithstanding an appeal.

7. LATE APPLICATIONS made in the normal admissions round will be considered with other on time applications only if a valid reason for delay in all the circumstances is given, otherwise only after all applications made within time have been determined. Applications made outside the normal round for admissions will be considered and a decision notified in the soonest of 15 school days or 28 calendar days. All refusals may be appealed. [code 3.17].

Mary Immaculate High School Admissions and Oversubscription Policy

Introduction

This policy refers to the admissions in September 2023 to Mary Immaculate High School. The governing body has full responsibility for admissions to the school. In accordance with the provisions of the Government of Maintained Schools (Wales) Regulations 2005, the governing body has delegated responsibility for determining admissions to its 'Admissions Committee'.

Only the governing body may admit places to the school and no representation made by any person including a governor, staff member, clergy or anyone elected to or employed by the local authority can be regarded as an indication or offer of place. Only a written offer from the governing body may be regarded as acceptance of an application to the school. The School Standards and Framework Act 1998 (as amended by the Education Act 2002) gives parents the right to express a preference as to which school their child attends.

About our School

Mary Immaculate High School is a voluntary aided Catholic school which operates within the overall provision of the Archdiocese of Cardiff. The school fully respects the beliefs of parents and children from all religious backgrounds and, of course, those with no religious background. The Governors do ask that any parents applying for places for their children will support the ethos and character of the school. This ethos is Catholic in nature but these values are

commonly shared with any world faith and are human values such as 'care, compassion and forgiveness of others'. As a result students at Mary Immaculate are taught respect and tolerance for others and there is provision through the religious education programme which explores world faiths.

Catchment

Mary Immaculate High School was established to serve Catholic and non-Catholic community in the West of Cardiff. The school offers a secondary education to children drawn from its Catholic family of schools and these children normally reside within the parish boundaries as outlined below Designated Parish

Note

The order in which parishes and designated schools appear has no significance.

St. Illtyd's Catholic High School Policy For The Admission Of Students Into Year 7 September 2023

The Governing Body has responsibility for admissions to the school. 176 students are admitted to Year 7 each September.

This policy describes how places will be allocated in Year 7 in 2023. It describes how parents should make an application for a place at St. Illtyd's Catholic High School and also outlines priority criteria which will be used in the event of the governors receiving more applications than there are places available.

St. Illtyd's Catholic High School is a voluntary aided Catholic school which operates within the overall provision of the Archdiocese of Cardiff. The Governors aim to offer a Catholic education and require that any parents applying for places for their children will support the Catholic character and ethos of the school. Nevertheless, the school fully respects the beliefs of parents and children from all denominations and faith backgrounds. Students at St. Illtyd's are taught respect and tolerance for others and there is provision in the religious education programme for learning about different faiths.

St. Illtyd's Catholic High School was established to serve the Catholic community in the East of Cardiff. The school offers secondary educational continuity to children drawn from its Catholic partner primary schools who wish to transfer at 11+. These children normally reside in the Catholic parish boundaries of the geographical area situated east of the river Taff and within the south of the city (see below):

Designated Parish	Designated Catholic Primary School
Blessed Sacrament St. Alban's St. Cadoc's St. Cuthbert's St. David's Cathedral St. John Lloyd St. Peter's Adopted by Governing Body: 09/02/22	St. Alban's St. Cadoc's St. Cuthbert's St. John Lloyd St. Peter's

Procedures for Admission

All applications for places must be made on the school green application form. The Governing Body is the admissions authority and therefore responsible for the allocation of all places at St. Illtyd's Catholic High School.

Priority is given to applicants whose forms are returned by the published deadline. If there are more applicants than places then late applications will be considered in accordance with the priorities in this policy and then placed onto a waiting list until September 30th 2023.

We want parents to make an informed choice about secondary school and we encourage families to visit our school in order to find out more about our learning at St. Illtyd's Catholic High School. However, your visit will not form part of the process of deciding which children will be offered a place.

The Governors will accept applications for entry to Year 7 in September 2023 on behalf of children born between September 1st 2011 and August 31st 2012.

Mid year applications for any year group will be considered under the same policy and over subscription criteria.

Admissions Categories

176 students will be admitted to Year 7 in September 2023. Where there are more than 176 applications, then 176 places will be allocated to the children of parents whose initial applications were received by the closing date. Applications will be considered in the following order of priority:

FOUNDATION SCHOOL

Whitchurch High (Foundation) School Admissions Policy 2023/24

1 Admissions of pupils

1.1 Whitchurch High (Foundation) School (WHS) is a comprehensive school where pupils in Years 7 to 11 are admitted without reference to ability or aptitude. The Governing Body is committed to ensuring an inclusive school and that admissions reflect the wide diversity of the community which the school serves.

1.2 Admissions are the responsibility of the Governing Body under the direction of the First Minister, Welsh Government. This Admissions Policy has been drawn up in accordance with the Welsh Government's "Statutory Code Document 002/2009: Schools Admission Code" and in consultation with the Local Authority, Cardiff County Council and other interested parties.

1.3 Admissions to WHS are dealt with by the Governors' Admissions Sub Committee and are subject to the Admissions Policy relevant at that point in time. There are different admission criteria for entry to:

- Years 7 to 11
- Years 12 and 13 (further details on school website: www.whitchurchhs.wales)
- The Special Resource Base (SRB) (further details on school website: www.whitchurchhs.wales)

1.4 The admission number of WHS is:

- 390 pupils per year group (Years 7 to 11)
- Up to 330 pupils for Year 12 unless exceptional circumstances dictate
- 10 – 15 pupils per year group in the SRB dependent upon statement of additional learning need.

2 Admissions to the SRB

2.1 WHS operates an SRB for pupils with moderate/severe learning difficulties. The unit takes up to 90 pupils with additional learning needs from across Cardiff. Pupils admitted to the SRB will be pupils with a Statement of Educational Need (SEN) which identifies WHS SRB.

2.2 If the parent of a pupil with an SEN statement wishes to appeal against the school named in the statement, or the fact that no school has been named, the appeal is to:

The Special Educational Needs Tribunal for Wales, (SENTW),
Email: Tribunal.Enquiries@gov.wales

2.3 WHS works closely with the Cardiff County Council to ensure the successful entry of pupils admitted to the SRB once the Local Authority's Case Advisory Panel have agreed places.

3 Applying for a place in Year 7

3.1 Children transfer to secondary school in the September following their eleventh birthday.

In the Autumn Term of Year 6 parents/carers, including those from our partner primary schools, are invited to apply for admission in the following academic year.

Our partner schools are:

Birchgrove Primary	Coryton Primary
Gabalfa Primary	Hawthorn Primary
Llanishen Fach Primary	Rhiwbeina Primary
Whitchurch Primary	

Parents/carers have the right to express a preference for their child to attend WHS which will be considered individually and complied with wherever possible. However, WHS is normally oversubscribed. Parent/carer preferences will still be considered but the priorities set by the Governors, outlined below, will be applied. In deciding which children to admit, the Governors apply the criteria in the order of priority shown (1. being the highest) and examine the merits of each case by considering reasons submitted supporting any expressed preference. The Governors will not normally exceed the school's Admission Number of 390.

Applications for admission to secondary schools (Year 7) can be made from Monday 26th September, 2022 and the closing date for applications is Monday 21st November, 2022.

Please note that Whitchurch High School is part of Cardiff Council's common admissions process for Year 7 applications. This means that parents/carers can make one application and will be able to do this on-line; parents can indicate up to five different schools that they wish to apply for; if not offered a place at the first choice parents/carers would automatically be considered for their second choice, and so on. Please note that some faith secondary schools are not part of this common admissions process and parents/carers would have to apply directly to these schools if these were a preferred choice.

As WHS is part of the common admission process, applications to the school can be made on-line through the Cardiff council website www.cardiff.gov.uk. If unable to apply on-line then do so in writing by contacting the Admissions Team in Cardiff Council for an application form.

3.2 Oversubscription criteria (Years 7 to 11)

Where applications for admission exceed the number of places available, the following admissions criteria will be applied in this order:

1. Pupils in receipt of a statement of Special Educational Needs (SEN). Where WHS is named in a statement of SEN the governors have a duty to admit the child.
2. Pupils who are – or have previously been – Looked After (in public care).
3. Pupils who are on roll in one of Whitchurch's partner primary schools (see 3.1)
4. Pupils who live within the catchment areas of the partner primary schools with an older sibling attending WHS at the time of their admission to the school, ie will be in Y7-Y11 in September 2023.
5. Pupils who are not on roll at any of the partner primary schools but who, by virtue of their address, would normally expect to be taught at one of these schools as they live in the catchment areas of the partner primary schools.

6. Pupils who live outside the catchment areas of the partner primary schools with a sibling attending WHS at the time of their admission to the school, ie will be in Y7-Y11 in September 2023
7. Pupils who live outside the catchment areas of the partner primary schools.

General Notes

Where the number of preferences exceed the number of places available in any higher criterion, proximity is used as a tie breaker to determine which pupils are admitted. Whitchurch High School uses the Council's Geographical Information System (GIS), referred to as an 'Integrated Transport Network' (ITN), configured in compliance with the Learner Travel (Wales) Measure 2008 and the Learner Travel Statutory Provision and Operational Guidance 2014 route determination criteria.

The shortest safe available route (as defined by the Welsh Government's 'Learner Travel Statutory Provision and Operational Guidance June 2014') is calculated (to 4 decimal places) from the co-ordinates of an applicant's home address (determined using the Local Land and Property Gazetteer [LLPG] address point data), to the nearest open school gate using Ordnance Survey (OS) route data.

- a) Where there is no safe route available, the nearest point on the ITN to the applicant's home address will be used to calculate the shortest driving route to the nearest open school gate.
- b) Tie-breaker: Where flats use the same LLPG address point co-ordinates, the route assessment is determined from the front entrance to each flat.

For applications for pupils residing within mainland UK but outside of the area covered by the integrated transport network (ITN), residence to school distances are calculated as the shortest driving distance as evaluated using google maps. Where applicants reside outside of mainland Britain, route distances are determined as the shortest route as determined using google maps utilising available transport types.

If a pupil lives at different addresses during the week, the address where they stay overnight for the greater number of nights per week will be the determining factor.

Admission requests by twins, triplets and other multiple births will be considered together in accordance with the above criteria. If the criteria is met both twins, all triplets, etc would be admitted to the school.

Admission requests by children of UK services personnel moving into the area will need to meet residency requirements with confirmation of proof of posting.

Transfer to Secondary Education

Only applications received by the published closing date for receipt of application will be considered in the initial round of allocation of places. Application for transfer to secondary education in September 2023 can be made on-line through the Cardiff Council website www.cardiff.gov.uk with effect from 26 September, 2022. It is the responsibility of parents to ensure that an application is made by the closing date of 21 November, 2022. Applications made after this date will be considered as late applications.

3.3 Admissions Timetable Year 7

Deadline dates refer to the annual allocation of places to the Year 7 age group in September 2023.

3.4 Only applications received by the closing date of 21 November, 2022, will be considered in the initial round of allocation of places and applicants will be notified of the result of their application on Wednesday 1 March, 2023.

3.5 There is a two week window for acceptance of place/places made, that is by 15 March, 2023, for initial round of allocation of places.

3.6 Late applications will be considered when good reason is given for their delay or when they refer to a Child who is Looked After or a child with a Statement of Special Educational Need. Other late applications will be considered after the initial allocation of places is made on 1 March, 2023. The Admissions Sub Committee will meet in the week of 15 March, 2023 and monthly thereafter, if required, until the end of the summer term 2023. Refused applications from the first round of allocations and any subsequent late applications will be considered together for any subsequent available places.

3.7 Where an application for admission has been refused, parents/carers have the right to appeal to an independent appeal panel (see Right of Appeal below).

3.8 Where a place has been refused, WHS will operate a waiting list. Applications received in the normal admission round will remain on the waiting list until 30th September, 2023. If places become available whilst the waiting list is in operation they will be allocated in accordance with the oversubscription criteria set out in section 3.2 (1 to 7). Placing a child's name on the waiting list does not affect the parent/carer's right of appeal against an unsuccessful application.

3.9 Any applications for admission to WHS outside the normal admission round will be supplied with an application form at the first point of contact and this will be considered without delay. The decision to offer or refuse a place will be given within 15 school days or 28 calendar days, whichever is the sooner. Parents/carers whose application is turned down are entitled to appeal to an independent appeals panel.

3.10 Applications received outside the annual allocation of places for in year admissions will remain on the waiting list until the end of the term in which the application is made. After this time parents/carers will have to make a further application for admission.

4 Right of Appeal

4.1 Any parent/carer (except one whose child has been permanently excluded from two schools) whose child is refused a place at WHS has a statutory right of appeal to an independent appeal panel. Parents/carers or young people who have had an offer of a place withdrawn also have a right of appeal. Details of the appeals procedure are provided with any letter indicating an application has been refused.

Notes for the guidance of parents/carers

Permanent address

Please ensure that the details are correct and it is your child's permanent home address NOT the address of a business, a relative, a friend, a childminder, a temporary address or an address to which you hope to move.

Residence

If you are planning to move and this involves the purchase of a property you will need to provide a solicitor's letter confirming exchange of contracts and the actual completion date. WHS cannot accept a letter confirming your intention to purchase a property.

If your move involves the renting of a property you will need to provide a copy of your tenancy agreement from a recognised letting agency, estate agent or solicitor confirming the lease start and end date.

If your move involves returning to live in a property you already own you will need to provide written evidence of the date that you will move back into the property. If you have rented your property to someone else you will also need to provide evidence that you have given your tenants notice to leave.

If we are not satisfied with the evidence you have provided we may ask for additional information. If we do not receive satisfactory evidence WHS will not accept your application from the new address.

Late applications

Following the first round of allocations, late applications will be considered in accordance with the admissions criteria. Applications from the first round of allocations and any subsequent late applications will be considered together for any subsequent available places that may arise.

Sibling

For admission purposes a Sibling is a child who is the brother/sister, half-brother/sister (children who share one common parent), step brother/step sister where two children are related by virtue of their parents being married, co-habiting or in a civil partnership. This definition also includes adopted or fostered children living at the same address.

Shared responsibility

Where parents have shared responsibility for a child, and the child lives at the parents' separate addresses for different parts of the school week, then the home address will be determined as the address where the child lives for the majority of the week. Parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes.

In disputatious cases, where parents have joint responsibility, applications must be agreed by both parents.

Waiting Lists

Where a place has been refused, the application will be placed on a waiting list. Applications will remain on the waiting list until the 30th September, 2023. After this time parents will be expected to make a further application for admission.

Appeals process

If parents are dissatisfied with the result of an application, an appeal may be submitted to the Independent Statutory Appeal Panel. If the appeal is not successful, further applications for a place at the same school will not be considered for the same academic year.

Withdrawal of places

Any place approved on the basis of residence will be withdrawn if the pupil is no longer permanently resident at the home address specified in the application at the beginning of the school term to which the application relates (term dates as published in the Admission to Schools Booklet). The home address is considered to be the pupil's along with their parents'/carers' main and genuine principal place of residence on the published date i.e. where they are normally and regularly living. If a pupil is resident with friends or relatives (for reasons other than guardianship) the friends' or relatives' address will not be considered for allocation purposes.

Where parents knowingly give false information in order to obtain the advantage of a place at WHS for their child to which they would not have been entitled, the Governors reserve the right to withdraw the offer of a place. Parents may render themselves guilty of an offence under Section 5(b) of the Perjury Act 1911.
